I will try to explain what I mean about the DeLong Volumes.

John D. Baldwin of Lakewood, OH, who has been researching the DELONG surname for over 35 years has placed the various groups of DeLong/Delongs in what he calls Volumes. Presently there are about 11 different Volumes. John is a member of Vol. 1, your group of Delongs are in Vol. 5 and I am a member of Vol. 13 (some #'s are now vacant do to combining as new info becomes available). My group is among the smallest and no doubt belongs to one of the larger ones if we could ever find the link. Over the years I have succeeded in getting a complete set of John's material (typescript). John is not computer literate and chooses to stay away from them. I have computerized nearly all of the information into Family Tree Maker files as well as many Word documents. Most of the Volumes including your Vol. 5 have been submitted to the World Family Tree project but currently none have been published. I have taken every word of John's material and inserted them into the Notes section of each respective individual. Volume 1 has 17,273 individuals, V2-112, V3-5052, V4-1077, V5-8380, V8 is a misc. by state, V9-626, V10-247 (not complete), V11-152, V13-2930, V14-1691.

I will now list the progenitor of each Volume:

- V1 - Arie Fransen** b. abt 1650 in the Netherlands (don't ask me how, but this name went through a transformation using various names i.e. de Langhe, DeLang before it finally became DeLong.)
- V2 - Mark DeLong** (perhaps originally DeLon) b. abt. 1700, has NC roots.
- V3 - Unknown DeLong/Delong** b. 1720-25 (descendants likely with PA origins).
- V4 - Aaron DeLong/Delong** b. aft 1720 in Germany.
- ✓ **V5 - Pieter/Pyeter/Peter DeLong/Delong** b. abt. 1707 in Germany.
- V8 -** is the Misc. Volume by STATE/COUNTY.
- V9 - James DeLong/Delong** b. 1755-60 (descendants likely w/SC origins, many in GA, TN).
- V10 -** unsure who the progenitor of this group is, likely a division of the V1 group who originally were centered in NY. This is the "Loyalist" group who fled to Canada during the Revolution. A Bill Tufts of Gloucester, Ontario is the "brains" behind this group and is in the process of supplying me with all the info. (I am beginning to combine this with V1.)
- V11 - Billy DeLong** b. 1790-1800 in NC.
- V13 - Jacob DeLong/Delong** b. aft. 1750 in NY, VA, PA, France, Europe or ?. **My group.**
- V14 - Unknown DeLong/Delong** b. late 1740s likely in PA. Unknown's sons are David, Abraham, Jacob, John & Isaac, all early settlers of Fairfield Co., OH.

The majority of the info in this Family Tree file originated from:

JOHN D. BALDWIN III

1559 CLARENCE AVE.

LAKEWOOD, OH 44107-4845

(this is new address 10/98)

Following is John D. Baldwin's work via Kay Keating of Bethesda, MD who computerized John's work as a Word Perfect document:

ABRAHAM (5) The founder of the German DeLong family of Pennsylvania was almost certainly ABRAHAM LANGER/LANGEN/LANG who arrived in New York with one of the earliest parties of Palatine Germans. In turn he was very possibly the ABRAHAM leLONG/LeLON of the vicinity of Ludwigshafen, Pfalz (Palatinate). Information below is from Henry J. Jones Jr's Palatine Families of New York, p. 519. I suggested to Mr. Jones that Abraham's son Peter could be the Peter DeLong (5-1) who settled in Berks County, PA; Mr. Jones concurred with the suggestion, publishing it in his companion volume More Palatine Families ... etc.

1668 - Abraham, son of CHARLES leLONG and wife Marie des Marets was baptised 28 Jun 1668, per records of the Walloon Church at Frankenthal, Pfalz, 7km north of Ludwigshafen (churchbooks begin 1622). Sponsors (translated from French) were Jean de Marets - "Gautier" (headman? I am unsure) at Manheim, Jean des Marets the younger living in this village, Sarah Bonnet wife of the said Gautier at Manheim, and Georgine le long, young maiden. I suggest that Jean de Marets and Sarah Bonnet were parents of Marie and Jean Jr., and that Georgine was sister of Charles. (Jones' transcript shows des Marets twice, de Marets once.)

1698 - ABRAHAM Le LON and Anna Barbara Dorthel 2 Dec 1698 per records of the Reformed Church (begin 1698) of Oggersheim, four kilometers South of Ludwigshafen.

1699 - Peter son of Abraham le Long was born at Hemshof per records of the Oggersheim Reformed Church. Apparently died young.

1707 - Another Peter was born at Friesenheim, son of Abraham le lonn, commoner of Friesenheim, baptised 25 April 1707, again Oggersheim church records.

Likely, the des Marets and possibly Charles leLong were from Wallonia, the French-speaking province of Southern Belgium. I do not know whether Dorthel is a German name or a Germanized French name, nor whether Oggersheim Church was French or German.

It would be interesting to study the earlier Frankenthal Walloon Churchbook from 1622 to 1698 for the three surnames.

Now turning to the emigrant to New York, possibly the man discussed above:

170_ - If Jones correctly identifies Abraham of Oggersheim as the immigrant, he likely married second in the Palatinate as his wife soon after arrival in NY was Maria Catherina.

1709? 1710? - Abm Lang and wife and three children were on Capt. John Unyank's ship in Holland (near a Johan Lang and wife) in the fifth party of Palatines (Rotterdam lists)

It seems impossible to identify members of the household as listed in the Hunter lists over the next few years. Note

It seems impossible to identify members of the household as listed in the Hunter lists over the next few years. Note there were three children leaving Rotterdam, yet on 30 June 1710, the household consisted of only three persons, two over 10 (the parents), and one under 10 (Peter of 1707 if we have identified properly with the above leLon family). On 4 Oct 1710, there were five over 10 and one under, so the house had been joined by three adults or older children. The older category had dropped to four by 24 June 1711, while there was a second child under 10, so perhaps a son Abraham had been born (see below). By 25 Mar 1712, the older category was down to three, two younger children remained.

The entry for 24 June shows five persons above ten. Though apparently no young children are indicated, the household composition shows such list-to-list variation that I do not consider this reason for thinking this was not the home for Peter of 1707 and a brother Abraham.

The Palatine parties settled initially in Ulster County, NY and I assume the various locations below are in that area but have not checked them.

1711 - Abraham Langen soldier from Haysbury (Palatine Vols. To Canada)

1711 - Maria Catherina, wife of Abraham Lang was sponsor at West Camp for Abraham Lauck. In 1716-7 Abraham and Anna Maria [presumably Anna Maria Catherina] were listed next to Michael, actually Nicholas, Laux on the Simmendinger Register and H. Jones believes this second wife was related to that family.

ca 1716-7 - Abraham Lang and Anna Maria with four children at Hessburg next to Nicholas Laux, see 1711.

1718, 1719, 1721, 1722 - Abraham Langh was a Palatine debtor (Livingston lists).

Child of Abraham and Anna Barbara (Dorthel):

**5-1 PETER bpt 1707, presumably the Peter who married by 1724 Eva Elizabeth Weber, born 1707 so a teen marriage for both, daughter of Jacob Weber, another Palatine immigrant of 1710.*

Nothing supports the DAR claim that Peter was son of Francis DeLong which presumably came fro a misreading of History of Lehigh Co., PA Vol 2 which correctly says that Peter had lived in Ulster Co., NY, then mentions Francis DeLong of that place in 1711, who however was of the much earlier Dutch DeLong family.

Child of Abraham, possibly by Anna Maria Catherina (Laucks?):

**5-2 ABRAHAM born possibly by 1710-11 md. Catherina _____.*

WFT Vol. 6, Pedigree #952 lists name as Francis Delanght b. Abt 1675 in Europe.

WFT Vol. 10:4606 suggests name as Jacob Jansen Delange b. Holland. with note that Jacob came to America in 1662.

WFT Vol 14:791 suggests name of Abraham Langer (w/alias of Abraham Le Long) b. bef 1710 w/spouse Anna Barbara Dorthel m. 1698.

NOTE: re REFERENCE NUMBERS....

You may note that each "DeLong/DeLong" in this tree has a Reference Number. This shows up in the bottom left hand corner of the Index, it also appears under the individuals "More" / "Lineage". This number was calculated as follows: Unknown(our subject) is "5" who is the progenitor of this Volume 5 DeLong group. "5-1 or 51" is the first child of Unknown, "5-1-2 or 512" is the second child of Unknown's first child and so on. If a couple has more than 9 children, then the 10th child becomes "a" and 11 becomes "b", etc. Family Tree Maker currently has a limit of 11 characters in the Ref. #. People of the 12th generation or higher will end with a - (and the later characters will be missing). The Reference numbers can be included on a Outline Printout via the "contents" dialog box.

[DeLongV5#1.FTW]

ABRAHAM (5-2), resident of Lynn Twp. in today's Lehigh Co., PA, has long been considered brother of Peter (5-1) of adjacent Berks Co. It is known that Peter lived earlier in Ulster Co., NY and married into one of the Palatine families there. It has been shown on sheet (5) that Peter may well have been the Peter Le Lonn, son of Abraham Le Lonn (Le Long, Langer), another of the Palatines, baptized 1707. Abraham (5-2) then was perhaps another son. The Hunter lists of Palatines show that the older Abraham's household increased from one to two children between Oct 1710 and Jun 1711. Perhaps this denotes the birth of the younger Abraham. It would be important to know where the party lived at time of these lists -- Germany, England or NY. As will be noted below under 172(6?), the marriage banns for an Abraham, presumably (5-2) indicate he was born in Germany. There is no particular problem with Abraham marrying this young, Peter was likely only 16 or 17 at marriage as was his wife. But if Abraham were born after the family reached NY, might the banns be an intended remarriage of Abraham (5) whose baptism in Germany has been found?

172(6?) - His possible father Abraham Langer/Le Long was a Palatine to New York, and his probable brother Pyeter (5-1) lived in Ulster Co., NY before settling in PA. It is therefore likely he is the Abraham for whom marriage banns with Rachel Hornbeeck were published in Kingston, Ulster Co. 13 Mar 172(6?). He is notated as born Germany, she Rochester, Ulster Co. The marriage apparently never came about as the banns were deleted from the register (Ref: Hoe: Kingston Records.)

1730? - Nothing is known of birthdates for any of his children, so no date can be approximated for his marriage to Catherine _____. It was perhaps about 1730.

to Catherine _____. It was perhaps about 1730.

17__ - He settled in Lynn Twp., Northampton, now Lehigh Co., PA.

1748 - 113.5 acres of land were surveyed by warrant date 16 Mar 1748. In 1870, it was resurveyed, by now in three parcels belonging to Koenigs, and recorded Allentown 11 Aug 1870. [Lehigh Co. Book __, p. 947, see attached photo.]

1755 thru 1759 - His will dated 21 Dec 1755, Lynn Twp., then Northampton Co. It mentions son Peter, other children indicated but not named. Wife "Catren" was executrix. Witnesses were John Eversett, Samuel Braun and Michael Baumgartner. Abraham's mark was a capital D. It was proved 22 Sep 1756, Braun being noted as Hannes Brown. The will was never recorded.

Louise Varisco has supplied photocopies of various documents, which I assume are taken from Northampton Co. Estate file #113. The inventory of receipts for debts paid off by Catherine, opens with a puzzle - Receipt No. 1 is dated 11 Nov 1755, six weeks before Abraham's will was signed. The second receipt is dated 29 Apr 1756. We can conclude Abraham died between 21 Dec 1755 and the date of receipt No. 2, but I have no explanation for the date of No. 1. All other receipts appear to follow in chronological order with most being dated; No. 17 of the eighteen is 15 Oct 1759.

The inventory and evaluation of the estate is dated __ Mar 1759 (day illegible), and is entitled "The Pisment of Abaham deLong deseses Good and Chattels" (sic throughout). Pisment is spelled more correctly Prisment in the summary, no doubt appraisal, each individual item on the inventory being "Prised at" a given value.

The major item is the "Plantason", no doubt being the 113.5 acres of 1747, prised at £30.0.0. Some descriptive words are hard to read but seem to refer to twenty acres of water, perhaps lakes on the property. Next came the "Grate wagin" prised at £8. The only direct bequest of the will, the two year old mare colt, was to be given to Peter "directly" and does not appear on the inventory. The total appraisal was £81.3.7.

1764 - In a letter 27 Sep 1955 to Mrs. Jorgen Jacobson of Chicago, Prof. Irwin Hoch DeLong said that the date of the invoice and appraisal of the estate in File 113 is 1764. Perhaps this is the date on the outside of a document, undated in the text itself, which summarizes and supplements appraisal information and restates the debt receipt list. In this document the appraisal of £81.3.7 is repeated, then indicates the estate sold for £17.2.11 above the appraisal, for a total of £98.6.6 The plantation remained at £30 but unsold. The total of debts paid off by Catherine was £48.1.2 to the eighteen creditors.

Louise Varisco has submitted a document stating that on 2(1?) Apr 1764, Katherine DeLong swore to the administration of the estate. Evaluation and disbursements are given as £128.6.6. This is £30 above the figure in the paragraph above, and shows that the unsold plantation, valued at £30, was not part of the appraisal of £98.6.6.

The estate was settled 3 Aug 1764. On this date, a release was given to Catherine DeLong by the children. The sons are listed first, then daughters with their husbands. The sons were Peter who marked with a capital D, Math. (sic), Abraham, John, Etward (sic). Daughters were Rachel, Madelena wife of Henry Bretnig, (Heinrich Bretnich), Hanna wife of Michael Engel (Englert), Catherine wife of Andrew (Andreas) Straub. This release document witnessed by George Briner, George Kistler, Philip Schuman and Daniel Straub. [Ref: Deed Book B, Vol. 1, pp. 375ff, as quoted by I. H. DeLong in his letter to Mrs. Jacobsen.] Release recorded 20 May 1772.

1765 - The Herring Genealogy says Catherine died in 1765. This may be valid, or perhaps it is just an inference from knowing she was still alive in 1764. Plow a Straight Furrow erroneously says she was deceased by the time of the 1764 completion of probate.

Children: Now that we finally know the order of children as given in the estate settlement, they are being renumbered in our text, using the settlement order which Irwin H. DeLong in his 1955 letter presumes was the order of birth. This will allow us to discuss possible birth periods to some degree. Sons are given first, then daughters.

5-2-1 PETER estimated birth around 1733. He is the only child called by name in his father's 1755 will. Presumably the oldest son and perhaps the only son not a minor. Named in 1764 settlement. Nothing more is known of him. Perhaps he was the Peter, single in 1777 at baptism of Abraham (5-1-6-1). However, Peter (5-1-4-2) was a closer relative and thus a better candidate.

*5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta

*5-2-3 ABRAHAM Jr. estimate born 1738-9. Listed third in 1764 and presumably third son. Still single in 1772, md. perhaps after 1775.

*5-2-4 JOHN estimate born 1740-1. Named fourth in 1764 and probable fourth son. The 1830 census, if correctly identified, confirms birth in 1740 or after. This is questionable if he was truly father of presumed son Henry born 1757, though it is possible.

*5-2-5 EDWARD (ETWARD) born say late 1740s or even into 1750s. Named fifth in 1764 settlement and presumably fifth son. First known child born 1775. Md. Anna Maria Steidel.

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enough, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

5-2-7 MAGDALENA (per IHDeL: Magdalena has been given elsewhere, and -Herring Gene.- has Mathelina), born roughly 1740, named second among daughters in 1764 settlement, by which date she was wife of Henry Bretnig/Henrich Bretnich (per IHDeL; Bretnig has been given elsewhere and Herring Gene. has Bretheith.)

5-2-8 HANNA (sic) born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Michael Engle/Englert (per IHDeL; Herring Gene. uses the latter.)

5-2-9 CATHERINE born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Andrew/Andreas Straub (per IHDeL; Herring has Andres). A descendant is Louise Varisco, Strongsville, Ohio, 1992.

POSSIBLE SON, BUT HIGHLY QUESTIONABLE:

X-X-X JOHN LUCAS A son of this name has been attributed in print to Abraham, but he is not named in the 1764 estate settlement and I suggest he does not belong here. I suggest he was a Lang/Long. He is reported as John Lucas Lang at the baptism of son Philip Jacob born 5 Aug 1773; bp. 29 Aug 1773 at Allemaengel Lutheran Church, sponsors Philip and Barbara Brobst. (In a fairly new book of Berks Co births and bpts., Philip Jacob's father is shown not as John Lucas Long but as Johannes DeLong. And the church is identified as the Jerusalem "Red" Church in Albany Twp.) He is supposedly recorded as DeLang or DeLong at the 1768 baptism of John Jacob (5-2-2-2), also the same year at baptism of a son of Martin and Barbara Forsch. The original manuscript needs to be seen. (Allemaengel is, I have been told, a geographical area. Mrs. Sell said John Lucas appears in the records of the Jerusalem "Red" Church in Lehigh Co. 1/2 mile from Frieden's "White" church, and 3/4 mile from Lynn Twp. I assume, but could be wrong, that the former would be the Allemaengel Lutheran Church of Albany Twp.)

X-X-X-X PHILIP JACOB b. 1773, see text above.

POSSIBLE GRANDSON

X-X-X JONATHON. A Jonathon received Depreciation pay for service in the Continental Army in 1785, together with Abraham and John. The latter two were Abraham (5-2)'s sons of those names, or perhaps all three were grandsons (PA Archives V:4:317)

*5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta ____.

MATTHIAS / MATTHEW (5-2-2) b. say 1735-37. He is named second in 1764 settlement and was presumably the second son. J. DeLong's Plow a Straight Furrow says born 1740, but I doubt if there is any document and I think a few years too late.

176_ - He married Maria Margareta _____, called Margareta. Could she have been a Falck? Falcks were baptismal sponsors for two of their children. George Falck was co-executor with widow Margareth of Mathias's estate.

1768 - Child baptized in what is now Lehigh Co.,

1772 - Tax 0.18.8 in Lynn Twp., Northampton Co. (Lehigh Co. formed in 1812 from Northampton Co.)

1772 - Child baptized in nearby Berks Co.

1774 - Child baptized in nearby Berks Co.

1780 - 26 Oct 1780 served in 6th Company, Northampton Co. Militia under Capt. Probst (PA Archives v:8:433)

1782 - Still under Capt. Probst (Archives V:8:513). Then on 27 Jul 1782 he was under Lt. George Grunewalt, Lancaster Co. (V:7:607) and 21 Sep 1782 (also V:7:607), the latter specifically as in the 2d Part of the 4th Class, 6th Battalion.

17__ - Plow a Straight Furow says he was a member of Jacob's Church in Jacksonville (Dutch Reformed) which he had a part in building.

1785 - Taxed 0.7.0 Weisenberg Twp., Lehigh Co., PA.

1785 - His death (PSF erroneously says 1788, thus I also questioned the birthyear it assigned to him, above.) Administration of his estate #1119, Northampton Co. On 21 Nov 1785, Margareth Delong widow of Mathias Delong late of Lynn Twp., carpenter deceased, George Falck of Weisenburg Twp. yeoman, Martin Probst & George Breish of Lynn Twp. gave bond for \$300. Administrators of Mathias' estate, Margareth Delong and George Falck were to prepare an inventory.

The three-page inventory, dated 3 Dec 1785, totaled £109.2.3, then was amended by sixpence "deduct for mistake", for a final £109.1.9. Subsequently further sums were added -- £ 21.1.6 the amount which said goods advanced by sale at public vendue; £2810.1 a bond due by Edward Delong; and £6.12.5 cash received of Jacob Arndt fees for collecting a county tax. The final total was £165.5.9.

Among the larger inventory entries were £21.3.0 for a bond of Peter Sassemann payable 27 Nov 1785; four cows and two calves £12.15.0; seven acres of grain £8.0.0; a pipe stove £3.10.0.

and two calves £12.15.0; seven acres of grain £8.0.0; a pipe stove £3.10.0.

Among the disbursements were £9.11.4 to John Delong (I assume his brother); £1.5.6 to Simon Wertman (note 1787 suit above by Catherine Wertman); another £20.0.0 to John Delong; £0.5.0 to John Wertman; £2.18.5 "due Jos. Delong (no doubt the son Johann Joseph) pay & expenses for going to Shamokin three times on business of the estate"; £0.5.0 paid for carriage in going to the Register's office to settle this account. The bond due from "Edward Delong, suppos'd insolvent" was deducted.

I find no mention of farm property in the inventory, but there was a modest £0.4.3 paid "the surveyor general & other expenses respecting the land and in going to Philada." After disbursements, the balance in the hands of the accountants was £20.6.0.

1787 - Catherine Wertman (see text for brother John (5-2-4) of Northumberland Co., PA brought suit against estate of Matthew Delong, late of Lynn Twp.

1809 - Administration of estate of Margaret DeLong of Lynn Twp., I assume Matthias's widow, #2617 (Lehigh Co.? I was told however, this is a Northampton administration.) The Herring Genealogy says on p. 23, "DeLONG: A petition of Nov. 27, 1809 in Northampton County (O.C. Bk. 3, p. 653) reads: "Mathias DeLong of Lynn Township died 24 year ago leaving a widow and 10 children, -- that the widow died recently -- that one of the children, Elisabeth, inter-married with George Herring, died leaving four children living at this time."

1812 - A Northampton Co. deed of 7 Mar 1812, recorded 27 Aug, shows that Mathias had died intestate leaving widow and six children -- Joseph, Jacob, John George, Catherine, Elizabeth and Christina. I do not know the occasion for this deed after the fact; L. Varisco was unable to get a readable photocopy. (H 3 ppp. 148-9) The Herring Genealogy says on p. 23, "DeLONG: A petition of Aug. 8, 1812 in Berks County (O.C. Bk. 5, p. 144) reads: "George Herring, -- inter-married with Elisabeth, a daughter of Mathias DeLong, deceased, that the said Elisabeth left issue four children, George, Catharine, Benjamin and Daniel, minors under 14, entitled to a portion of their said grandfather's estate."

1814 - Quit-claim deed granted 23 Apr 1814 to George Herring (his son-in-law) mentions George DeLong of Miami Co., OH (Letters of Admin. I;33).

*5-2-2-1 JOHANN JOSEPH, called Joseph, b. 27 Nov 1766; bp. 14 Dec 1766; md. Elizabeth "Maria" Snodgrass.

JOHANN JOSEPH (5-2-2-1) b. 27 Nov 1766; bp. 27 Dec by Rev. Schumacher, probably in present Lehigh Co., PA.

1790 - According to descendants he went to Marion Co., VA (now W.Va.) where he met & md. Elizabeth "Maria" Snodgrass b. Feb 1779 per t.s., in Ireland per son Alexander in 1880, daughter of Col. William Snodgrass.

1799-1800 - In VA at birth of son George W. (Marion Co., Botetourt Co.?) Census not extant.

1805 - He bought 137 acres on Catawba Creek, Botetourt Co., VA 10 Oct 1805.

1810 - Census of Botetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James &

1810 - Census of Betetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James & Alexander. The daughter was Rebecca.

1815 - Joseph & Elizabeth on 7 Sep (not 15 Sep) sold the Botetourt Co., land bought in 1805.

1816 - Went to Miami Co., OH about this time, settled on the Great Miami River, not Little Miami as claimed in "Plow a Straight Furrow."

1817 - James Madison President of the United States to Joseph D. Long assignee of John Andrews having departed in the general land office a certificate of the Register of the Land Office at Cincinnati. Full payment made for fractional of Section 3, Township 1, and Range 9. Granted to Joseph D. Long the fractional lot or section of land. 22nd of February 1817. (Miami Co., Bk. 3; p. 463)

1818 - 1 January 1818 William Squire and Sarah his wife of Butler County to Joseph Long of Miami County for the sum of \$1800 for the part of fractional Section No. 33, in Township 2, and Range 9.

Beginning at the Southwest corner of said fractional section running north twenty chains to the Miami River then with the Miami River on the meander thereof. First north 31 degrees East 15 chains, then north 46 degrees East 5 chains to a stake witness--Burr Oak 16 inches diameter. South 33 degrees West 7 links another 15 inches diameter. South 33 degrees West 11 links thence East 66 chains and 25 links to the east boundary of said fractional section then south 38 chains and 50 links to southeast corner of said fractional section thence west 80 chain to place of beginning containing 300 acres of land. Measure by James Wilson on 4 June 1808. (Miami Co., 3:3:15)

1820 - Bethel Twp., Miami Co. 130101/11010. Joseph had not actually reached 45. Eliz. and Solomon had been added to the family.

1821 - Elizabeth, consort of Joseph D. Long died 13 Sep 1821, age 42 yrs, 7 mos, per t.s. West Charleston Cem., Bethel Twp.

1822 - Md. 2d. Miami Co. 7 Mar 1822 Betsy () Crane, b. 1775, reportedly in Lycoming Co., PA, widow of Benjamin Crane. The Crane Gene. shows Benjamin born 1755 in Harrisburg, died 12 Apr 1819, age 67 which instead suggests birth 1752. An old record originating with James Harvey says Benjamin was buried Bethel Cem. with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for this otherwise unexplainable marriage of a Joseph DeLong to a Betsy Crain three years later. (Harvey must have been totally wrong in suggesting that Elizabeth Crane, wife of Benjamin, was Eliz. (Stadler) DeLong, widow of George (5-2-2-4).

1826 - Sold land to George Jr. whose identity is unclear. His nephew George Jr. was only three years old. It was probably Joseph's own son Geo. W. b. 1800 who perhaps had long been known as "jr" to his uncle, even though a true George Jr. was born 1823.

1829 - Sold Miami land to son Alexander et al.

1830 - Bethel Twp. as Joseph D. Long Sr. 00010001/1001001. Betsy should have been one bracket higher. The son could be Solomon who had just turned 15. The older girl could be Elizabeth, the younger unknown. An alternate possibility is that the younger people were a child, spouse and infant grandchild. Yet another, perhaps one or more were of second wife's family.

1836 - Witness to will of brother George.

1840 - 1849 - His will dated 4 May.

1850 - Bethel Twp. age 85 b. PA (should be 83), she 75 b. PA. Census indicates marriage within the year which is unlikely. See 1856 for others in the home.

1856 - He died 30 May, t.s. in West Charleston Cem. His name is broken off but the date appears, he is next to the grave of his first wife. The stone says in 93d year while he was not yet 89.

His will entered for probate Miami Co. 14 Jun 1856. It named all seven children plus Sarah A. Lafferty and Ann B. Davis, who had been 20 and 12 in 1850 in Joseph's home.

1860 - 1862 - Bethel Cemetery reportedly has t.s. for Elizabeth DeLong Crane died 15 Dec 1862, 87 years old, wife of Benjamin Crane. It simply makes more sense that she was Elizabeth () (Crane) DeLong, widow first of Benjamin Crane and 2d of Joseph DeLong.

1863 - The will of Elizabeth DeLong dated 2 Nov 1858 was admitted for probate in adjacent Montgomery Co. 3 Jan 1863 naming relatives Jacob Crain, Margaret Wilson, Barbara Wollaston, Samuel Crain, heirs of Robert Crain deceased, heirs of Catherine Davis deceased, Mary Bayer. This would appear to be Elizabeth's family by her first husband Benjamin Crane. An heir of Catherine Davis was no doubt the Ann B. Davis 12 in 1850, named in Joseph's will in 1856, and perhaps the Sarah Lafferty, also in that census and the will. The unidentified young adults of 1830 could indeed have been Catherine (Crane) Davis, her husband and a daughter Sarah who later md. a Lafferty. We are also told of Miami Est. file #2781 for widow Eliz. Is this or Mont. Co. error for the the other? Or 2 records.

5-2-2-1-3 REBECCA b. VA prob. ca. 1805, under 16 in 1820 but old enough to marry Miami Co. 3 Apr 1823 Jacob Statler. She died before father's 1849 will which made provisions for her heirs:

Children:

5-2-2-1-3-2 Joseph Statler; res. IL.

*5-2-2-1-4 JAMES b. VA prob. ca. 1806; md. Barbara Elizabeth Fair.

*5-2-2-1-5 ALEXANDER b. VA 1809; md. Elizabeth Beer.

5-2-2-1-6 ELIZABETH b. 1 May 1812 in VA, under 10 in 1820, perhaps the female 15-19 in father's home 1830; d. 28 Dec 1885. She md. David Denmon (Denman in her father's will) b. 30 Mar 1807; d. 21 Sep 1881; both bur. E.U>B> Church, Newville, IN. No children.

*5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.

Possible grandson?

5-2-2-1-X-X Buried in the same plot as Joseph and his first wife are William H. Long 1856-1936 and his wife Cornelia 1857-1943. I cannot identify either as grandchild of Joseph. This couple were presumably the parents of a fourth burial Charles A. Long, 5 Jan 1886 - 21 Mar 1957.

Excerpts from "Plow a Straight Furrow" by James C. DeLong:

Joseph DeLong when he moved to Ohio changed his name to Joseph D. Long and about 1830 changed it back. It was a common practice for early pioneers to change the spelling of their names without bothering to secure Judicial sanction.

Perhaps DeLong in an essentially Anglo-Saxon community sounded too foreign.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

VIRGINIA CROSS REFERENCES: BOTECOURT CO.: JOSEPH (5-2-2-1) b. 1766, here by 1805.

OHIO CROSS REFERENCES: MIAMI CO.: JOSEPH (5-2-2-1) b. 1766, settled here 1816.

OHIO CROSS REFERENCES: MONTGOMERY CO.: JOSEPH (5-2-2-1) b. 1766, he and widow of Miami Co., OH but her will admitted for probate here in 1863.

1796 - Dau. Elizabeth b. in Pa.

1800 - He was poss. in Botetourt Co., VA with brother Joseph. Botetourt census not extant.

1806 - Son Joseph b. VA.

1810 - He does not appear in Botetourt, and the Ohio census is mostly non-extant. Was he back in PA? There is an otherwise unidentified Jacob in Lynn Twp., Lehigh Co. 20010/03101. If subject, the woman over 45 could be a first wife (known wife of 1820 was born after 1775), mother or mother-in-law. The female b. 1784-94 could be a daughter, less likely a second wife, as while the wife of 1820 was born after 1775, she may have been born before 1780.

1816 - Settled in Miami Co., OH perhaps about 1816 with brother Joseph.

1820 - In Bethel Twp. Miami Co. 111101/00110. The wife was born after 1775 (and before 1780 if we identify her correctly in 1830) and was no doubt the Margaret "Peggy" _____ who survived him. They may have been married as early as 1810, and if the 1810 census above does not pertain to subject, there may have been no previous wife and thus married at least by 1804 and probably earlier.

1822 - He died Bethel Twp. early 1822. Executors were appointed 14 May 1822. Payment made to widow Peggy of part of dower 18 May, and payment made 31 May for publication in the Dayton Watchman of notice to debtors and creditors. Inventory of estate was 3 August. In this same year, there is a receipt to Margaret "Long" for 50 cents county tax.

1822 - On 11 Oct 1822 John Fergus of Miami Co. was appointed guardian there to "Joseph Delong, an infant heir of Jacob Delong." The document (file 0309) undoubtedly refers to a single guardianship although the

heir of Jacob DeLong." The document (file 0309) undoubtedly refers to a single guardianship although the handwriting could be taken as "Joseph DeLong an(d) infant heirs of Jacob." Presumably Joseph was the only child still a minor; use of the term infant seems unusual since he would become 21 in five more years. (Mrs. Wall has provided a photocopy of this document -- I do not know how I had a report of Fergus being appointed on this date as guardian to Jacob Jr.; perhaps from the name on the outside of the file envelope being Jacob in reference to the deceased.

1824 - On 23 Aug 1824, Peggy received another part of her dower and daughter Jane was paid part of her inheritance. On 17 Oct, Joseph's portion was paid to his guardian John Fergus (how I had Joseph identified as "Joseph Jr." I do not know.)

1825 - On 4 Apr 1825, Peggy received the "remainder part" of her dower, Jacob Jr. received his share of his father's estate, Jane received the final portion of her share, and John Weaver received his wife's dower of her father's estate. The final account settlement on 9 Apr names these four.

In reviewing the estate records, they very plainly list five heirs: Peggy (the widow) receiving half of the estate -- \$67.92 3/4, and each of the four children receiving one eighth of the estate (John Weaver -- Elizabeth's husband \$16.97 3/4, Jacob DeLong \$16.97 3/4, Jane DeLong \$17.00, John Fergus for his ward Joseph DeLong \$16.97 3/4.)

1827 - Joseph's guardianship was released 27 Oct 1827.

1830 - Perhaps Peggy is the female between 50-60 living with son Jacob in Bethel Twp.

Children:

5-2-2-2-X (FEMALE) b. 1784-94. If the 1810 census refers to subject, the female over 16 could be a daughter, less likely a second wife. If a daughter, she was gone from home by 1820 and is not identified in the estate.

5-2-2-2-X (FEMALE) b. 1794-1800. If the 1810 census refers to subject, there was an additional female gone by 1820 and not named in the estate.

5-2-2-2-1 ELIZABETH "Betsy Long" DELONG b. 1796 in PA. Died 18 Apr 1880 and is buried beside her husband in Hickory Grove Cemetery in Bethel Twp., Miami Co., OH. She was m. 23 Apr 1816 in West Charleston, Bethel Twp., Miami Co., OH (as per court marriage records and a widow's pension application) to John Weaver. He was the son of Peter Weaver and was b. 10 Jan 1779 in MD. He d. 7 Dec 1870 (as per t.s.) or 8 Dec 1871 (as per Federal pension application Nat'l Archives File No. WC 14643 Claim No. 29078). He is buried in Hickory Grove Cemetery. He served in the War of 1812 in the OH militia under Capt. Jacob Mann -- enlisted 14 Nov 1812, discharged 13 Mar 1813, enlisted 14 Mar 1813, discharged 13 May 1813. 1840 census for Bethel Twp. 00021001/1220001.

Children of Elizabeth and John Weaver:

5-2-2-2-1-1 (Female) b. 1817-1820, appears in the 1820 & 1830 census. Possibly this is MARGARET who married Henry Longman on 14 Nov 1838 in Miami Co., OH.

5-2-2-2-1-2 (Male) b. 1817-1820; appears in the 1820, 1830, 1840 censuses. Possibly this is JACOB who married Louisa Johnston on 27 Aug 1840 in Miami Co., OH.

5-2-2-2-1-3 John Weaver b. ca. 1821, appears in the 1830, 1840 and 1850 censuses. Married in Miami Co., OH 15 Jan 1852 to Elizabeth Wright.

5-2-2-2-1-4 James Weaver b. 2 Dec 1822, appears in the 1830, 1840 & 1850 censuses. Married in Miami Co., OH ca. 1847 to Delilah Blickenstaff. He d. 11 Dec 1887 and was buried in the New Carlisle Cemetery, Clark Co., OH.

5-2-2-2-1-5 Martha Weaver b. ca. 1825, appears in the 1830, 1840 & 1850 censuses. Married in Miami Co., OH on 11 Nov 1856 to John Dodson.

5-2-2-2-1-6 (Female) b. ca. 1830; appears in the 1840 census but not in the John Weaver household in the 1850 census.

5-2-2-2-1-7 Elizabeth Weaver b. 19 May 1834 and died single on 20 Oct 1865. She is buried in the Hickory Grove Cemetery, Bethel Twp., Miami Co., OH. She appears in the 1840, 1850 and 1860 censuses.

5-2-2-2-1-8 Amanda Weaver b. 1835, appears in the 1840 and 1850 censuses. She married in Miami Co., OH on 4 Aug 1853 to Michael Heffner, son of Michael Heffner and Elizabeth Fry. She died in 1905 and is buried in the Old Bethel Cemetery at Phoneton, Bethel Twp., Miami Co., OH. These are my gr-gr-grandparents. (S. Maingi)

5-2-2-2-1-9 Sarah Ann Weaver b. ca. 1837, appears in the 1840, 1850 and 1860 censuses. She married in Miami Co., OH on 22 Feb 1863 to Levi Shepherd.

5-2-2-2-2 JANE born probably 1794-1800. The 1820 census indicates 1794-1804 but lack of guardianship papers would indicate she was 18 by 1821. In that Jacob was probably born 1801-02, a date before 1801 seems likely. If the 1820 Lynn Twp. census refers to her father, then she would be the daughter born 1794-1800.

5-2-2-2-3 JACOB Jr. born probably 1801. Older of 2 males 0-9 in 1810. He was seemingly adult in Oct 1822 so born by Oct 1801. The 1820 census puts him in the 16-18 bracket so if approaching 19, this fits latter 1801.

Md. Miami Co., 29 Dec 1829 Margaret Whitsell. WFT 5:2786 shows her as b. 1815, so she would be the female age 10-14 in the 1830 census Bethel Tp. 00001/00100001, and the adult woman could have been Jacob's m or m-in-l.

5-2-2-2-3-1 George b. 1830 per WFT. Note sister Hannah in Randolph Co., IN. Can he be the George b. OH, 1826-7, 53 in Wash. Twp., Randolph Co. 1880 with wife Malinda ____ 30 b. IN, and ch:

5-2-2-2-3-1-1 Albert b. IN, 1873-4, 6 in 1880.

5-2-2-2-3-1-2 Amanda E. b. IN, 1878-9, 1 in 1880.

5-2-2-2-3-2 Charles b. 1833

5-2-2-2-3-3 Hannah b. IN, 1837, d. July 3, 1908. Md. John M. Huston b. OH, Aug 18, 1829, d. Winchester, Randolph Co., IN, Oct 4, 1900.

5-2-2-2-3-3-1 Rebecca J. Huston b. Winchester, Dec 25, 1868, d. there Jan 26, 1829. Md. there Nov 7, 1891 Thomas H. Harmon b. Randolph Co., 1862, d. Muncie, IN, Jan 15, 1925.

5-2-2-2-3-4 Joseph b. 1850 (seems young compared to first three).

5-2-2-2-3-5 Levi b. 1852 (seems young compared to first three).

* 5-2-2-2-4 JOSEPH b. VA probably Oct 1806; md. Catherine Carson.

5-2-2-2-5 (Male) b. 1810, under 10 in 1820, probably died 1820-1822. Not named in 1822 estate nor included.

*5-2-2-4 JOHANN GEORGE, called GEORGE b. 4 Mar 1774 (Hinke) or 4 Apr 1774 (Ziegler). Bp. Maxatawny, Berks Co., 29 May 1774; md. Elizabeth Statler.

JOHANN GEORGE (5-2-2-4) b. 4 Mar 1774 (Hinke), 4 Apr 1774 (Ziegler); bp. 29 May 1774 Maxatawny, Berks Co., PA. Sponsors John George Falck and wife Dorothea.

1790 - Whereabouts unknown, probably with relative.

1800 - Whereabouts unknown. Presumably unmarried, he could have been with relatives in PA, or gone into Virginia with brother Johann Joseph. Brother Johann Jacob may also have been with Joseph as he was in VA by 1806.

1805 - Took land at the Cincinnati Land Office as George DeLong, land in Montgomery Co., OH 29 Jun 1805. He did not necessarily move at that time. Brother Joseph did not go to OH until after 1815 and there is no reason to think that brother Jacob did - he was certainly in VA in Oct 1806.

1806 - Perhaps md. about this time Elizabeth Statler b. VA ca. 1789-90, assuming their son George Jr. was born at least by about 1807 as indicated by one, possibly two, records (See under George Jr.) Elizabeth was d/o

George Statler, a soldier of the War of 1812. Her birth as 1789-90 is determined by the 1860 and 1870 censuses, her county death record puts birth between Feb 1788 and 1789 and her t.s. approximates May 1787. 1840 suggest born 1790 or later, and the 1850 census is open to dispute.

1808 - Brother Joseph bought land in 1805 in Botetourt Co., VA, and there was a "deed in" for a George in Botetourt Co., 1808. Since this same land was deeded out in 1814, we presume it does not pertain to the unidentified other George DeLong b. 1777, probably a relative, who married in Botetourt in 1798 and lived a long life there. We need a search of Botetourt records; perhaps the younger George did buy in 1808 and sell in 1814, but presumably he was landed at death as he left a will.

1810 - Not in census of PA, nor in Botetourt Co., VA. Ohio census mostly non-existent but probably not there yet.

1813 - Had reached OH by this time. Phillip Hull and Mary Hull wife, appointed Daniel Symms, register of the land office at Cincinnati, Ohio as their attorney. Deed to George D. Long of Miami County for the northwest quarter of Section No. 32 in Township No. 2 of Range No. 9 between the Miami Rivers so soon as the Patent from the President of the United States to said Phillip Hull shall be received in the office of Daniel Symms. 15th of February 1813 (1:199-200)

1815 - 1 Feb 1815 Phillip Hull of Miami County to George D. Long of Miami County for the sum of \$750 for the Northwest quarter of Section 32, Township 2, Range 9, containing "one hundred and six one acres" (sic) Recorded 24th day of May 1815 (2:393-3)

1820 - Bethel Twp., Miami Co. 300100/30010. Only one of the three sons age 0-4 can be identified for sure, William b. 1814. Another is likely George Jr. but he was more likely about 13 than under 5. The girls were Christina, Ellen and Sarah.

1830 - Bethel Twp., Miami Co. as George D. Long Sr. 12110001/2021001. The son 15-19 could be George Jr. who however was more likely about 23. Or it might be the unknown third boy of 1820. The son 10-14 would be William, the youngest three were Washington, David and Abraham. The girls were the three of 1820 (unless one was replaced by George's possible wife of 1825) plus Elizabeth and Henrietta.

1836 - His will dated 20 Oct 1836, of Bethel Twp., names only wife Elizabeth. Brother Joseph was among witnesses. Another reference to association of the the two men is that George's children Ellen Surfus, Sarah Fitch and Abraham all appear in old records of the DeKalb Co., Ind. reunion of some of Joseph's descendants.

Died 26 Oct 1836. His tombstone as George D. Long Sen., broken though still legible (1979) at the Bethel Cemetery, S.R. 202 just N. of US 40, give age as 64 instead of 62.

Will probated 31 Oct 1836; on 7 Nov son William and brother Joseph and John C. Crawford were appointed administrators.

1840 - The widow appears in Bethel Twp. as Elizabeth Long 12112/0011201. The daus. over 20 are Ellen and Sarah; the dau. 15-19 is Elizabeth; the 10-14 is Henrietta. The youngest son is Edward, those 5-9 are T. J. and Isaac, the 10-14 is Abraham. The 15-19 is probably David. Those 20-29 were William and likely Washington who however was only about 17. An alternate interpretation is that the men 20-29 were William and George Jr., while either David or Washington was omitted or perhaps working away from the home.

1850 - She was 60 in Bethel Twp, b. VA per one reading. And now a new film has come along which looks to me like 50 though perhaps 59 was intended. It does not seem to be 60. Children's ages are also wrong. Son William was head of household.

1851 - Horatio Terome, executor of last will and testament of David DeLong late of Miami Co., as of the April term of Common Pleas Court of Miami Co. 1851 for the sum of \$200 by William DeLong, purchaser of one undivided eleventh part of 60 acres of land in the North part of fractional Section 2, Township 1, Rang 9 and one undivided eleventh part of the Northwest quarter of Section 32, Township 2, Range 9, being an undivided part of the Homestead of George DeLong Sen. late of said county deceased, subject to the life estate of Martha E. DeLong. [David's wife] 23rd August 1851 [26:537-538]

From this it appears that eleven surviving siblings shared in David's inheritance from their father, subject to the widow's life estate. (Those deceased were George Jr. and the son born before 1820, name unknown.)

1860 - She was 70 in Bethel Twp., b. VA.

1867 - 25th day of October 1867, Elizabeth DeLong did by deed of that date recorded in Book 1, page 13 of the lease record of Miami Co., Ohio in consideration of the rents, covenants, and stipulations of David D. Young. [48:550] Young was the husband of daughter Henrietta.

1870 - Township of Bethel, County of Miami, Northwest quarter of section 32, Township 2, Range 9, and the ground intermediate on the West between said quarter and the Miami River containing 220 acres. David D. Young released all the estate, right title, and interest in the above land. Received Dec. 14, 1870. [48:550]

1870 - She was in Bethel Twp., age 80 b. VA living with daughter Harriet and her husband.

1872 - She died Tippecanoe 13 Feb 1872, age 83 per county death record so born prior to Feb 1789. Tombstone at Old Bethel Cemetery reads 15 Feb 1872, age 84 years 9 Months so born by May of 1787. These contradict 1860 & 1870 censuses which indicate b. Jul 1789 to Jun '90. Elizabeth's tombstone reads:

Her toils are over, the work is done
and she is fully blest.
She fought the fight, the victory won
and entered into rest.

1872 - David D. Young and Henrietta Young, John Ross and Eliza Ross, Nathaniel Fitch and Sarah Fitch, William DLong, Thos J. DLong and Edward DLong sold to Samuel Sullivan for the sum of \$5640 part of fractional section no. 2, Town 1, Range 9 East and part of the northwest quarter of section no. 32, Town 2, Range 9. Beginning at a stone in the center of said section thence north 88 degrees west 215.12 rods to a burr oak tree on the east bank of the Great Miami River, thence northwardly with the meandering thereof as follows, north 23 west 12.76 rods, thence north 14 west 7.72 rods, thence north 22 west 7.88 6.4 rods, thence south 88 degrees east 230 rods to a stone in the half section line. Thence south 1 1/4 degrees west 43.50 rods to the place of beginning. Containing 60 acres and 3.9 perches more or less. 5 October 1872. Affidavits from Allen Co., Indiana, home of Nathaniel Fitch on 7 Oct 1872. From Van Wert Co., Ohio, home of Edward DeLong on 9 Nov 1872. The rest were from Miami Co., Ohio. [53:55] Note Christina and Ellen, Wash. & Isaac are omitted. Abraham prob. not living.

1872 - 19 Jul 1872 Martha DeLong, guardian of Mary L. DeLong a minor filed as such guardian in Probate Court of Miami Co. [Martha was widow of David.]

On 6 Aug 1872 said court ordered that said Martha DeLong should sell the following property: the undivided 2/13 parts of 220 acres known as the George DeLong farm. North part of fractional Section 1 [should be 2], Town 1, Range 9 and the northwest quarter of fractional Section 32, Town 2, Range 9.

Sold to Samuel Sullivan for the sum of \$867.69 the following: stone set for a corner at the southeast corner of northwest quarter of Section 32, thence north on the half section line 43 1/2 rods, thence north 88 degrees west 230 rods to the Great Miami River, thence with the meanderings of said river to the lands of Samuel Sullivan. Thence east with the north line of said Samuel Sullivan to place of beginning, containing 60 acres and 39 perches, 2/13 parts of premises. [53:102]

1872 - Martha DeLong guardian of Mary L. DeLong a minor on 19 July 1872 sold for an unstated sum to William DeLong the following: the undivided 2/13 parts of 220 acres known as the George DeLong farm north part of fractional Section 1 [should be 2] Town 1, Range 9 and the northwest quarter of fractional Section 32 Town 2 Range 9, 60 and 161 acres. Court ordered her to sell. Recorded 6 Nov 1872 [54:442-3]

1874 - William DeLong sold the northeast corner of the northwest quarter of Section 32 Twon 2 Range 9 161 acres and 89 perches for the sum of \$800 paid by Christina Fair, Ellen Surface, Sarah Fitch, Washington DLong, Edward DLong, Jefferson DLong, Eliza Ross, and Henrietta Young. 20 July 1874 [54:443]

1874 - Washington DeLong, Christina Fair, Ellen Surface, John Surface, and Harriet DeLong of DeKalb Co., Indiana sold their interest in the part of Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 to David D. Young for the sum of \$750. Aug 1874. [54:444]

1874 - Nathaniel and Sarah Fitch sold all rights and interest they have in the farm known as the George DeLong farm which is part of fractional Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 with 160 acres. Sold to David D. young for the sum of \$1000. Affidavit from Allen Co., Indiana, home of

Nathaniel and Sarah Fitch on 15 Aug 1874. [54:444]

Children: (more info filed w/individual child)

5-2-2-4-1 GEORGE Jr. born perhaps as early as ca. 1807 if he were the man of 1825 and 1826 records following, in which he was presumably at least 18.

5-2-2-4-2 WILLIAM b. 9 Jul 1814, probably in Ohio as per 1850 census, rather than WV as given in death record.

5-2-2-4-3 CHRISTINA probably b. 1815-16, was age 15-19 in 1830 and md. 19 Aug 1835 Abraham Fair in Miami Co.

5-2-2-4-4 ELLEN b. 25 May 1818, calculated from death 20 Feb 1897, age 78-8-25. She was 10-14 in 1830, 20-29 in 1840. She md. 1842 John Surfus also Surface who d. 31 Mar 1891, age 78-5-24, both buried Cedar Grove Cem., DeKalb Co., IN.

5-2-2-4-5 SARAH b. 1818 per Brant & Fuller's Upper Maumee Valley I:316, which would make her a twin to Ellen.

5-2-2-4-6 (SON) born perhaps 1819-20. The 1820 census shows three males age 0-9. 1819-20 seems a convenient date to place him, though he could have been born prior to William of 1814.

*5-2-2-4-7 WASHINGTON b. 1823; md. Mary Cath. Wimer.

5-2-2-4-8 DAVID b. August 1824. He md. 4 Oct 1849 Martha Martin in Miami Co. his t.s. with that of parents in Old Bethel Cem. says he d. 1 Jul 1850, age 25-10-? (apparently the days are illegible.) The death date may be too late -- his will of 15 May 1850 was reportedly probated 30 Jun 1850. He did live long enough to be included in the 1850 census.

5-2-2-4-9 ELIZABETH "ELIZA" b. 1825; d. 1912 per desc. Mary Ellen Martin, buried West Charleston Cem., Bethel Twp. She was in the under 5 bracket in 1830, but placed in 15-19 in 1840. She md. Mar 1845 John Ross Jr. b. 21 Jul 1814; d. 4 Jan 1897; bur. West Charleston Cem.

5-2-2-4-10 ABRAHAM b. perhaps ca. 1827-8.

5-2-2-4-11 HENRIETTA b. probably by time of the 1830 census and the younger of the two daughters under 5 that year, and the girl 10-14 in 1840. The 1850 census lists her as 18, but it is low for her siblings and probably low for her also. She md. 21 Sep 1857 (not 1856) David D. Young in Miami Co.

*5-2-2-4-12 ISAAC b. prob. ca. 1833; md. Martha Sullivan.

5-2-2-4-13 THOMAS JEFFERSON b. ca. 1835, younger of two sons age 5-9 in 1840 and age 24 in 1860. Age of 12 in 1850 is too low. Of Miami Co. 1872 and in Davidson Co., TN in 1874. at time of brother William's death in 1886 he had not been heard from in some time, but he returned before date of brother-in-law John Ross' will in the 1890s.

5-2-2-4-14 EDWARD b. 1836-7 perhaps posthumously, the son under 5 in 1840 and age 23 in 1860. Age of 10 in 1850 is too low. He resided Van Wert Co. OH in 1872 then traditionally lived and was buried in Wichita, Kansas.

*5-2-2-1 JOHANN JOSEPH, called Joseph, b. 27 Nov 1766; bp. 14 Dec 1766; md. Elizabeth "Maria" Snodgrass.

JOHANN JOSEPH (5-2-2-1) b. 27 Nov 1766; bp. 27 Dec by Rev. Schumacher, probably in present Lehigh Co., PA.

1790 - According to descendants he went to Marion Co., VA (now W.Va.) where he met & md. Elizabeth "Maria" Snodgrass b. Feb 1779 per t.s., in Ireland per son Alexander in 1880, daughter of Col. William Snodgrass.

1799-1800 - In VA at birth of son George W. (Marion Co., Botetourt Co.?) Census not extant.

1805 - He bought 137 acres on Catawba Creek, Botetourt Co., VA 10 Oct 1805.

1810 - Census of Botetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James & Alexander. The daughter was Rebecca.

1815 - Joseph & Elizabeth on 7 Sep (not 15 Sep) sold the Botetourt Co., land bought in 1805.

1816 - Went to Miami Co., OH about this time, settled on the Great Miami River, not Little Miami as claimed in "Plow a Straight Furrow."

1817 - James Madison President of the United States to Joseph D. Long assignee of John Andrews having departed in the general land office a certificate of the Register of the Land Office at Cincinnati. Full payment made for fractional of Section 3, Township 1, and Range 9. Granted to Joseph D. Long the fractional lot or section of land. 22nd of February 1817. (Miami Co., Bk. 3; p. 463)

1818 - 1 January 1818 William Squire and Sarah his wife of Butler County to Joseph Long of Miami County for the sum of \$1800 for the part of fractional Section No. 33, in Township 2, and Range 9.

Beginning at the Southwest corner of said fractional section running north twenty chains to the Miami River then with the Miami River on the meander thereof. First north 31 degrees East 15 chains, then north 46 degrees East 5 chains to a stake witness--Burr Oak 16 inches diameter. South 33 degrees West 7 links another 15 inches diameter. South 33 degrees West 11 links thence East 66 chains and 25 links to the east boundary of said fractional section then south 38 chains and 50 links to southeast corner of said fractional section thence west 80 chain to place of beginning containing 300 acres of land. Measure by James Wilson on 4 June 1808. (Miami Co., 3:3:15)

1820 - Bethel Twp., Miami Co. 130101/11010. Joseph had not actually reached 45. Eliz. and Solomon had been added to the family.

1821 - Elizabeth, consort of Joseph D. Long died 13 Sep 1821, age 42 yrs, 7 mos, per t.s. West Charleston Cem., Bethel Twp.

1822 - Md. 2d. Miami Co. 7 Mar 1822 Betsy () Crane, b. 1775, reportedly in Lycoming Co., PA, widow of Benjamin Crane. The Crane Gene. shows Benjamin born 1755 in Harrisburg, died 12 Apr 1819, age 67 which instead suggests birth 1752. An old record originating with James Harvey says Benjamin was buried Bethel Cem. with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for

with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for this otherwise unexplainable marriage of a Joseph DeLong to a Betsy Crain three years later. (Harvey must have been totally wrong in suggesting that Elizabeth Crane, wife of Benjamin, was Eliz. (Stadler) DeLong, widow of George (5-2-2-4).

1826 - Sold land to George Jr. whose identity is unclear. His nephew George Jr. was only three years old. It was probably Joseph's own son Geo. W. b. 1800 who perhaps had long been known as "jr" to his uncle, even though a true George Jr. was born 1823.

1829 - Sold Miami land to son Alexander et al.

1830 - Bethel Twp. as Joseph D. Long Sr. 00010001/1001001. Betsy should have been one bracket higher. The son could be Solomon who had just turned 15. The older girl could be Elizabeth, the younger unknown. An alternate possibility is that the younger people were a child, spouse and infant grandchild. Yet another, perhaps one or more were of second wife's family.

1836 - Witness to will of brother George.

1840 - 1849 - His will dated 4 May.

1850 - Bethel Twp. age 85 b. PA (should be 83), she 75 b. PA. Census indicates marriage within the year which is unlikely. See 1856 for others in the home.

1856 - He died 30 May, t.s. in West Charleston Cem. His name is broken off but the date appears, he is next to the grave of his first wife. The stone says in 93d year while he was not yet 89.

His will entered for probate Miami Co. 14 Jun 1856. It named all seven children plus Sarah A. Lafferty and Ann B. Davis, who had been 20 and 12 in 1850 in Joseph's home.

1860 - 1862 - Bethel Cemetery reportedly has t.s. for Elizabeth DeLong Crane died 15 Dec 1862, 87 years old, wife of Benjamin Crane. It simply makes more sense that she was Elizabeth () (Crane) DeLong, widow first of Benjamin Crane and 2d of Joseph DeLong.

1863 - The will of Elizabeth DeLong dated 2 Nov 1858 was admitted for probate in adjacent Montgomery Co. 3 Jan 1863 naming relatives Jacob Crain, Margaret Wilson, Barbara Wollaston, Samuel Crain, heirs of Robert Crain deceased, heirs of Catherine Davis deceased, Mary Bayer. This would appear to be Elizabeth's family by her first husband Benjamin Crane. An heir of Catherine Davis was no doubt the Ann B. Davis 12 in 1850, named in Joseph's will in 1856, and perhaps the Sarah Lafferty, also in that census and the will. The unidentified young adults of 1830 could indeed have been Catherine (Crane) Davis, her husband and a daughter Sarah who later md. a Lafferty. We are also told of Miami Est. file #2781 for widow Eliz. Is this or Mont. Co. error for the the other? Or 2 records.

Children:

5-2-2-1-3 REBECCA b. VA prob. ca. 1805, under 16 in 1820 but old enough to marry Miami Co. 3 Apr 1823 Jacob Statler. She died before father's 1849 will which made provisions for her heirs:

Children:

5-2-2-1-3-1 Jane Statler res. IL

5-2-2-1-3-2 Joseph Statler; res. IL.

*5-2-2-1-5 ALEXANDER b. VA 1809; md. Elizabeth Beer.

5-2-2-1-6 ELIZABETH b. 1 May 1812 in VA, under 10 in 1820, perhaps the female 15-19 in father's home 1830; d. 28 Dec 1885. She md. David Denmon (Denman in her father's will) b. 30 Mar 1807; d. 21 Sep 1881; both bur.

E.U>B> Church, Newville, IN. No children.

*5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.

Possible grandson?

5-2-2-1-X-X Buried in the same plot as Joseph and his first wife are William H. Long 1856-1936 and his wife Cornelia 1857-1943. I cannot identify either as grandchild of Joseph. This couple were presumably the parents of a fourth burial Charles A. Long, 5 Jan 1886 - 21 Mar 1957.

Excerpts from "Plow a Straight Furrow" by James C. DeLong:

Joseph DeLong when he moved to Ohio changed his name to Joseph D. Long and about 1830 changed it back. It was a common practice for early pioneers to change the spelling of their names without bothering to secure Judicial sanction.

Perhaps DeLong in an essentially Anglo-Saxon community sounded too foreign.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

VIRGINIA CROSS REFERENCES: BOTECOURT CO.: JOSEPH (5-2-2-1) b. 1766, here by 1805.

OHIO CROSS REFERENCES: MIAMI CO.: JOSEPH (5-2-2-1) b. 1766, settled here 1816.

OHIO CROSS REFERENCES: MONTGOMERY CO.: JOSEPH (5-2-2-1) b. 1766, he and widow of Miami Co., OH but her will admitted for probate here in 1863.

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.	

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.

1810 - The son age 10-15.

1816 - Taken to Miami Co., OH about this time.

1820 - The son 16-26.

1827 - Md. 4 Mar 1827 in Miami Co. Rebecca York. She b. 1806-7 in OH. (Jim Harvey erroneously had her maiden name as Essig and her birth as 1801.)

1830 - George D. Long Jr. was of Bethel Twp. 20001/00001. This is hard to interpret. Subject's uncle George had a son George Jr. who may have married in 1825, may have been old enough to be a householder in 1830, and lived until ca. 1836, probably longer. But no record of a family has been noted, while this 1830 census fits subject's known family. (Three relatives follow George D. Long Jr.'s entry, then he is seemingly duplicated as George Long with the same household schedule.)

1835 - Settled in DeKalb Co., IN, prob. about this time. The Indiana Historical Magazine says they came from Montgomery Co., OH but Miami Co. seems more likely. Another version, in a genealogy published ca 1972 by descendant James C. DeLong, says they went from Miami Co. to Marion Co.

1838 - James C.'s book continues that they sold Marion Co. land in 1838. They were definitely of DeKalb Co., IN. by some time in 1838 when they sold Allen Co., OH land to John Weaver of Miami Co. This is prob. the John Weaver who md. Elizabeth DeLong, d/o subject's Uncle Jacob.

1840 - DeKalb Co. 3100001/100001.

1850 - They had reached Allen Co., IN by this date and appear in the census of Perry Twp. George 50 b. VA, Rebecca 43 b. OH.

1851 - Death of Rebecca. (t.s. at Cedar Chapel Cem., DeKalb Co., IN has REBECCA wife of GEORGE DeLONG died Jan 2, 1851 aged 42 yrs 9ms 4ds.)

1851-2 - Md. 2d Julian "Julia Ann" (Essig) Daily. She b. about 1815, d/o Simon and Julia (Schneer), who had first md. in Stark Co., OH 31 Jan 1833 George Daily. The Dailys left OH for DeKalb Co., IN about 1843 between the births of son George in OH and daughter Elizabeth in IN. 1970-71 correspondence with descendant James Clifford DeLong provided a lot of contradictory info. on the Essig and Daily families. Other than the seemingly correct material presented here I will not venture into this material, leaving it to descendants to sort out whenever they may encounter it.

1853 - The only child of this marriage was born 1852-3.

1855 - He d. in IN, presumably Perry Twp., Allen Co. Bur. Cedar Chapel Cem., nw corner CR 68 & CR 11, in Butler Twp., DeKalb Co., IN. (t.s. has GEORGE DELONG died Jan 5, 1855, aged 54 yrs 10 mo & 1da.)

1860 - She as Julia Ann, 45 b. OH in Perry Twp., Allen Co. With her were her children by George Daily (the name spelled Dailey in this census): John 22, Julia A. (who prob. later md. Eli Myers) 18, George 18, all b. OH, and Elizabeth 15 b. IN., as well as Rebecca, her sole child by subject. Also in the home was Polly (Daily) DeLong 22 b. OH, d/o Julian by her first husband and wife of Julian's step-son James G. who was in the West. Last were James G. and Polly's children George 5 and Sylvia Ann 3.

1870 -

1878 - widow to Steuben Co., IN (ref. lost).

1880 - Julian was 63, b. OH of PA parents in Keyser Twp., DeKalb Co. living with daughter Rebecca.

It has been claimed that Julian married five times. I question this. She was 18 at her marriage to George Daily, and she was under the second husband's surname in 1880. The interval between those marriages was small. Perhaps there was one more marriage somewhere along the line, but three more seems very doubtful.

Children by 1st wife:

*5-2-2-1-1-2 SAMUEL ALEXANDER b. 1829; md. Clarinda Angelina Blackwood.

*5-2-2-1-1-3 ALEXANDER b. 1831; md. Melissa ____.

*5-2-2-1-1-4 JAMES G. b. 1832-3; md. step-sister Polly Daily.

5-2-2-1-1-5 MARY ANN b. OH ca. 1834-5, 15 in 1850. A likely duplicate entry for her, also in Perry Twp., Allen Co. is as age 18 in the home of Dr. Elbridge Warlick, presumably as a domestic. She d. 1862; bur. Cedar Chapel Cem., Allen Co. She md. Gilbert Patterson. He b. 1835 who after her death remarried and went to Mich.

5-2-2-1-1-6 JOSEPH G. b. IN 1839-40, 10 in 1850.

5-2-2-1-1-7 SOLOMON b. IN 1840-1, 9 in 1850. Called a '49er, obviously too young for that but perhaps went West later. He served as Lt. Colonel Union Army in Civil War.

Children by 2d wife:

5-2-2-1-1-8 REBECCA b. IN 1852-3; md. 1st John DePew. He b. In 1850-1. He was 29 Keyser Twp., Allen Co. 1880 of PA father & OH mother. She was 27 of VA father and OH mother. She md. 2d ____ Cox and md. 3d _____. She d. 1924.

5-2-2-1-1-8-3 Oliver DePew b. 1877-8, 2 in 1880.

Middlename from Indiana records.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

OHIO CROSS REFERENCES ALLEN CO.: GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800, sold land here 1838, but prob. never lived here.

OHIO CROSS REFERENCES MARION CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800, reportedly sold land here 1838.

INDIANA REFERENCES STEUBEN CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800. His widow said to have gone to Steuben 1878 but it was likely DeKalb where she is found in 1880.

Notes

*5-2-2-1-2 JOSEPH JR. b. VA prob. ca. 1805 under 16 in 1820; md. Jane Graves.

JOSEPH Jr. (5-2-2-1-2) b. VA prob. ca. 1805.

1810 - Oldest of three sons 5-9, Botetourt Co., VA.

1816 - Taken to Miami Co., OH about this time.

1820 - Oldest of 3 sons 10-15.

182_ - Md. Jane Graves. She b. 1804-5 in NY. Her name is from death cert. of son Rufus, first name confirmed by 1850 census. (In his many confusing communications, Jim Harvey in one letter called her Jennie Noble, in another Kathryn, the latter being confusion with Joseph DeLong, son of his uncle Jacob.)

1830 - Bethel Twp., Miami Co., OH as Joseph D. Long Jr. 00001/10001 (seemingly duplicated on same page as Joseph Long, same enumeration schedule.)

1838 - Still in OH at birth of a son.

1838-39 - To DeKalb Co., IN prob. in 1838 as his older brother G. W. seems to have reached DeKalb about that time.

1840 - DeKalb Co. 211001/010001.

1841 - likely the Joseph who purchased 40 acres SE__SW__, Sec 22, Twp., 35N, Range 13E (DeKalb Co., IN) signature date 11/10/1841.

1845 - Obviously not deceased as claimed by Jim Harvey.

1849 - Named in father's will.

1850 - Smithfield Twp., DeKalb Co. age 50 (a bit too old judging from all earlier census) b. VA, Jane 45 b. NY. (In Harvey's meanderings, he once submitted their ages as 70 and 75 both b. NY, then wrote a mutual corresp. that Jane was b. Scotland. Also he wrote of a Rev. War Record for Joseph with two women claiming the pension, confusing subject with the older Joseph (1-2-11-8) b. 1768 of Volume 1).

1856 - Named in father's estate settlement.

1860 - Union Twp., DeKalb Co., IN, Joseph 50, b. VA (occupation: Ash Cat/Ashery) & Jane 49, b. NY. Ebenezer, 23; Charles, 19; Drucilla, 18; James, 14, Ruper, 10. Ebenezer b. OH, all other ch. shown b. IN.

Family Group Sheet

1885? - Harvey wrote T. Palmer that a Joseph b. PA; d. 1885, age 95; bur. Waterloo, DeKalb Co. This record despite the excessive age and state of birth, may be a clue to subject's death and burial. He reported it as a government headstone, which seems questionable and thus may refer to a much younger man -- he was too young for the War of 1812, too old for Civil War, and few Ohioans served in the Mexican War.

Children:

5-2-2-1-2-1 (DAUGHTER) b. 1825-30, under 5 in 1830. Either she was listed incorrectly as under 10 in 1840, or else she d.y. and another unknown dau. was born 1830-35. Or see next.

5-2-2-1-2-2 (SON) b. 1825-30, age 10-14 in 1840 yet not included in the household in 1830. Perhaps a plausible explanation for a daughter born before 1830 per 1830 census but a son before 1830 per 1840 census is that the first born was a son and inadvertently counted as a dau. in 1830.

5-2-2-1-2-3 JOHN b. 1831-2 in OH, age 5-9 in 1840, 18 in 1850. He is listed last in the 1850 household. Was this because he was overlooked as the chronological entries were made, because he was by an earlier wife, or because he was a relative other than a son?

5-2-2-1-2-4 SILVA b. 1836-7 in OH, age 0-4 in 1840, 13 in 1850. She md. 30 Sep 1855 in DeKalb Co., Henry Tucker (Ref. LDS)

*5-2-2-1-4 JAMES b. VA prob. ca. 1806; md. Barbara Elizabeth Fair.

JAMES (5-2-2-1-4) b. VA, prob. c. 1806.

1810 - The middle of three males age 0-9.

1816 - Taken to Miami Co., OH about this time.

1820 - The middle of three males age 10-15.

1830 - Gone from home.

1833 - Md. (Miami Co., OH?) 11 Nov. 1833 Barbara Elizabeth Fair. She b. prob. 1813-4 in MD per 1860 census (1850 census says 1816-7 and the History of DeKalb Co. (1914) says b. PA.)

1838 - The History of DeKalb Co. says he settled Butler Twp., DeKalb Co. IN when son Henry (b. 1836) was 2. This correlates with probably settlement dates in DeKalb for older brothers G.W. & Jos. Jr. It adds he later settled in Fairfield Twp. No mention is made of Perry Twp., Allen Co. where we find him by 1840.

1840 - Perry Twp., Allen Co. 100001/01001.

1850 - Perry Twp. age 40, b. VA and she 33, b. MD. Too young for him (see 1860) so perhaps a bit too young for her.

1860 - Perry Twp. age 54, b. VA which seems the best approximation for him based on father's 1810 and 1820 censuses. Wife was 46, b. MD, suggested as best approximation for her.

1867 - Thelma Palmer had his death as 1867, age 68-8-2, which is far too old compared to all censuses. Perhaps it was a misreading of a t.s. which might have read age 63-8-2.

1870 -

1878 - She d. 3 Sep 1878 (source?).

Children:

5-2-2-1-4-1 PHILENA ELLEN b. 25 Sep 1834 in OH, 16 in 1850; d. 25 Oct 1923, age 93-1-0. Md. 1st

5-2-2-1-4-5 EMMALISSA JANE b. 6 Oct 1851, md. DeKalb Co., Jan 21, 1869 as Emily J. to John H. Bangs. History of DeKalb Co. calls her Emma Bangs who moved to Montana. An old source says she md. Joseph A. "Bird" Jones b. 23 Nov 1854. This may rather be the Jones who married Philena above, though Bird was reportedly much younger than Philena

5-2-2-1-4-5-1 John Ray Bangs b. 28 Jul 1935.

5-2-2-1-4-5-2 Ray Bangs (sounds suspiciously like the same person).

Children:

*5-2-2-1-5-1 ASA b. 1834; md. Elizabeth Pottee or Pates.

5-2-2-1-5-2 SOLOMON b. ___ Mar 1836 in OH, 14 in 1850. Mustered into Co. B, 101st IN Infantry at Bluffton 1862, age 26. He was 23 in 1860 census, 33 in 1870, 43 in 1880. Unmarried in 1887; 64 in Harrison Twp., in 1900 a boarder in home of Wm. Bourman, in Wells Co.

5-2-2-1-5-3 GEORGE b. in Miami Co., OH, prob. 8 Jul 1840 as appears in an LDS record which however erroneously says Wells Co., IN. He was 11 in 1850 census, 19 in 1860, 29 in 1870. He was 21 when mustered into Company A, 34th IN Infantry at Anderson, IN, in 1861. Md. 17 or 20 Dec 1877 (LDS presumably from Co. record) Sarah Elizabeth Cole. She b. 1852-3. They lived next to his father in Lancaster Twp., in 1880, George 38, Sarah E. 27, b. OH of NY father and OH mother. In the home was Oliver M. Cole, age 4, see under sister Mary below. George died before 1900 when we find Sarah E. in Lancaster Twp. age 57 b. Jun 1852 in OH. With her were nephew Ralph Thomas b. Jul 1879, niece Ethel Thomas b. Jun 1882 and nephew Oliver M. Cole age 24, again see under Mary below.

*5-2-2-1-5-4 JOSEPH b. 1849 in IN; md. Louisa Mary Brinckley.

5-2-2-1-5-5 MARY ANN b. 1852-3 in IN, 7 in 1860; md. 15 Apr 1875 Charles Cole in Wells Co.

Children:

5-2-2-1-5-5-1 Oliver M. Cole b. Feb 1876 per 1900 census. He was 4 in 1880, living with George and Sarah Eliz (Cole) DeLong, relationship listed as "N" which perhaps means nephew and with widow Sarah Eliz. in 1900 when he was apparently clearly identified as nephew. Until we are more sure of the information, we must reserve the possibility that George's wife was a widow Cole and sister to the husband of Mary Ann, and Oliver was thus nephew to both George and Sarah E.

Note: Also in Bluffton 1870, and still there in 1880 was HENRY DELONG prob. b. OH 1846-7 (per 1870; 1800 indicates 1850-1 in IN) with wife Rachel and family. He was obviously not a s/o Alexander nor can I suggest him as a nephew. He is to be found in Vol. 8 under Indiana: Wells County.

1860 census Lancaster Twp., Wells Co., IN:	(July 10, 1860)

Family Group Sheet

George " 19 m Farmer " (b. ca 1841)
 Joseph " 9 m Indiana (b. ca 1851)
 Mary A. " 7 f" (b. ca 1853)

4/21/97 very soon will write JDB to find if he knows what Vol. of Delongs above belong in. I could not locate any candidates in Vol. 1,3,4,13, Can. Only likely Alexander was b. 1809 and a member of Vol. 5, as this is an incomplete Vol. for me that's all I know. 5/1/97 JDB writes back that my guess was correct.
 (*)- JDB says too old but it does read this way.

JDB says Alexander DeLong (5-2-2-1-5) settled Wells Co., IN in 1847.

*5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though other dates will be encountered below.

1816 - Taken to OH about this time.

1820 - The son age 0-9.

1830 - The son age 15-19.

1830s - Said to have been an early explorer in DeKalb Co., IN. This is not unreasonable as three older brothers settled there 1838-9 and he was to live there after his marriage.

1837 - likely the Solomon who purchased 55.75 acres W1/2SE__, Sec 6, Twp., 33N, Range 15E (DeKalb Co., IN) signature date 3/15/1837.

1840 -

1841 - He crossed back into western OH and md. 21 Aug 1841 in Defiance Co. Mariah Landis. She b. 11 Dec 1821 in Preble Co., OH d/o David and Mary Landis. (Paulding Co., OH marriage record: Delong, Solomon Maria Landis Aug 26, 1841.)

1850 - Newville, DeKalb Co. age 39, b. VA, which gives birth of 1810-1 which could barely fit the 1820 and 1830 censuses, but is likely too early in view of Scurr's family data. Mariah was 28 and b. OH.

1860 - Newville 41 b. VA. Which age is also doubtful making him younger than the Scurr date while 1850 made him older. This also puts him outside his 1830 age category. Mariah was 38 and b. in OH.

1862 - Resigned or more likely received 2d Lt. commission, 44th Ind. Inf. 19 Dec 1862.

1864 - He was promoted from 2d Lt. to 1st Lt. at Waterloo, DeKalb Co., Co. F. of the 44th. At this time he was 45 which points to birth 1818-9, again too young for his 1830 census category.

1864 - Served field and staff; promoted to Major.

18xx - A Solomon was Lt. Col., 129th Ind. Inf. per Historical Register of US Army 1789-1903, p. 94. If this were Civil War service, then it is likely our subject.

1870 -

1873 - will DeKalb Co., 18 Mar 1873, names wife Mariah, sons George, David D., Alfred, Alva L., Joseph S.

1873 - He d. 17 Apr 1873 in Newville, DeKalb Co., IN.

1880 - She was 58 in Newville, b. OH of PA parents, living alone. Her sons George and Joseph both erron. claimed a PA mother in this census.

1912 - She d. 28 March 1912 in Chicago; bur. Newville.

Children:

5-2-2-1-7-1 JOHN L. b. __ Apr 1842 in IN, 8 in 1850, 18 in 1860. Served Co. E, 11th I.V.I., wounded at Ft. Donaldson; d. 26 Mar 1862 near New Albany, IN, age 19-11-18. Service recorded on t.s. Newville Cemetery.

*5-2-2-1-7-2 GEORGE FRANCIS b. 1844; md. 1st Eliz. B. Smith; 2d Josephine Thomas.

*5-2-2-1-7-3 DAVID DENMON b. 1846; md. Emmalyza "Emma" Lete Knepper.

5-2-2-1-7-4 ALFRED S. b. 1847-8, 2 in 1850, 12 in 1860. He lied about his age, stating 18, when mustered into Co. F, 129th Ind. Inf, Newville, 1863. Died 28 Apr 1873.

5-2-2-1-7-5 ALVA L. (not Albert) b. prob. late 1850, 10 in 1860, named in father's 1873 will. He appears somewhere as Albert in a family list, perhaps just a typo.

5-2-2-1-7-6 MORRIS/MAURICE b. 19 Mar 1855; d. 21 Aug 1858, age 3-5-21.

5-2-2-1-7-7 JOSEPH S. b. 1852; md. Fidellis Horisington.

Note: A tradition says three of the seven sons died at an early age, however five were living as late as 1873, the youngest of them 21.

*5-2-2-1-1 GEORGE WASHINGTON b. VA 1799-1800 md. 1st Rebecca York and 2d Julia Ann (Essig) Daily

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.

1810 - The son age 10-15.

1816 - Taken to Miami Co., OH about this time.

1820 - The son 16-26.

1827 - Md. 4 Mar 1827 in Miami Co. Rebecca York. She b. 1806-7 in OH. (Jim Harvey erron. had her maiden name as Essig and her birth as 1801.)

1830 - George D. Long Jr. was of Bethel Twp. 20001/00001. This is hard to interpret. Subject's uncle George had a son George Jr. who may have married in 1825, may have been old enough to be a householder in 1830, and lived until ca. 1836, probably longer. But no record of a family has been noted, while this 1830 census fit's subject's known family. (Three relatives follow George D. Long Jr.'s entry, then he is seemingly duplicated as George Long with the same household schedule.)

1835 - Settled in DeKalb Co., IN, prob. about this time. The Indiana Historical Magazine says they came from Montgomery Co., OH but Miami Co. seems more likely. Another version, in a genealogy published ca 1972 by descendant James C. DeLong, says they went from Miami Co. to Marion Co.

1838 - James C.'s book continues that they sold Marion Co. land in 1838. They were definitely of DeKalb Co., IN. by some time in 1838 when they sold Allen Co., OH land to John Weaver of Miami Co. This is prob. the John Weaver who md. Elizabeth DeLong, d/o subject's Uncle Jacob.

1840 - DeKalb Co. 3100001/100001.

1850 - They had reached Allen Co., IN by this date and appear in the census of Perry Twp. George 50 b. VA, Rebecca 43 b. OH.

1851 - Death of Rebecca. (t.s. at Cedar Chapel Cem., DeKalb Co., IN has REBECCA wife of GEORGE DeLONG died Jan 2, 1851 agd 42 yrs 9ms 4ds.)

1851-2 - Md. 2d Julian "Julia Ann" (Essig) Daily. She b. about 1815, d/o Simon and Julia (Schneer), who had first md. in Stark Co., OH 31 Jan 1833 George Daily. The Dailys left OH for DeKalb Co., IN about 1843 between the births of son George in OH and daughter Elizabeth in IN. 1970-71 correspondence with descendant James Clifford DeLong provided a lot of contradictory info. on the Essig and Daily families. Other than the seemingly correct material presented here I will not venture into this material, leaving it to descendants to sort out whenever they may encounter it.

Family Group Sheet

1860 - She as Julia Ann, 45 b. OH in Perry Twp., Allen Co. With her were her children by George Daily (the name spelled Dailey in this census): John 22, Julia A. (who prob. later md. Eli Myers) 18, George 18, all b. OH, and Elizabeth 15 b. IN., as well as Rebecca, her sole child by subject. Also in the home was Polly (Daily) DeLong 22 b. OH, d/o Julian by her first husband and wife of Julian's step-son James G. who was in the West. Last were James G. and Polly's children George 5 and Sylvia Ann 3.

1870 -

1878 - widow to Steuben Co., IN (ref. lost).

1880 - Julian was 63, b. OH of PA parents in Keyser Twp., DeKalb Co. living with daughter Rebecca.

It has been claimed that Julian married five times. I question this. She was 18 at her marriage to George Daily, and she was under the second husband's surname in 1880. The interval between those marriages was small. Perhaps there was one more marriage somewhere along the line, but three more seems very doubtful.

**5-2-2-1-1 GEORGE WASHINGTON b. VA 1799-1800 md. 1st Rebecca York and 2d Julia Ann (Essig) Daily*

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.

1810 - The son age 10-15.

1816 - Taken to Miami Co., OH about this time.

1820 - The son 16-26.

1827 - Md. 4 Mar 1827 in Miami Co. Rebecca York. She b. 1806-7 in OH. (Jim Harvey erron. had her maiden name as Essig and her birth as 1801.)

1830 - George D. Long Jr. was of Bethel Twp. 20001/00001. This is hard to interpret. Subject's uncle George had a son George Jr. who may have married in 1825, may have been old enough to be a householder in 1830, and lived until ca. 1836, probably longer. But no record of a family has been noted, while this 1830 census fit's subject's known family. (Three relatives follow George D. Long Jr.'s entry, then he is seemingly duplicated as George Long with the same household schedule.)

1835 - Settled in DeKalb Co., IN, prob. about this time. The Indiana Historical Magazine says they came from Montgomery Co., OH but Miami Co. seems more likely. Another version, in a genealogy published ca 1972 by descendant James C. DeLong, says they went from Miami Co. to Marion Co.

1838 - James C.'s book continues that they sold Marion Co. land in 1838. They were definitely of DeKalb Co., IN. by some time in 1838 when they sold Allen Co., OH land to John Weaver of Miami Co. This is prob. the John Weaver who md. Elizabeth DeLong, d/o subject's Uncle Jacob.

1840 - DeKalb Co. 3100001/100001.

1850 - They had reached Allen Co., IN by this date and appear in the census of Perry Twp. George 50 b. VA, Rebecca 43 b. OH.

1851 - Death of Rebecca. (t.s. at Cedar Chapel Cem., DeKalb Co., IN has REBECCA wife of GEORGE DeLONG died Jan 2, 1851 agd 42 yrs 9ms 4ds.)

1851-2 - Md. 2d Julian "Julia Ann" (Essig) Daily. She b. about 1815, d/o Simon and Julia (Schneer), who had first md. in Stark Co., OH 31 Jan 1833 George Daily. The Dailys left OH for DeKalb Co., IN about 1843 between the births of son George in OH and daughter Elizabeth in IN. 1970-71 correspondence with descendant James Clifford DeLong provided a lot of contradictory info. on the Essig and Daily families. Other than the seemingly correct material presented here I will not venture into this material, leaving it to descendants to sort out whenever they may encounter it.

1853 - The only child of this marriage was born 1852-3.

1855 - He d. in IN, presumably Perry Twp., Allen Co. Bur. Cedar Chapel Cem., nw corner CR 68 & CR 11, in Butler Twp., DeKalb Co., IN. (t.s. has GEORGE DELONG died Jan 5, 1855, aged 54 yrs 10 mo & 1da.)

1860 - She as Julia Ann, 45 b. OH in Perry Twp., Allen Co. With her were her children by George Daily (the

Family Group Sheet

1860 - She as Julia Ann, 45 b. OH in Perry Twp., Allen Co. With her were her children by George Daily (the name spelled Dailey in this census): John 22, Julia A. (who prob. later md. Eli Myers) 18, George 18, all b. OH, and Elizabeth 15 b. IN., as well as Rebecca, her sole child by subject. Also in the home was Polly (Daily) DeLong 22 b. OH, d/o Julian by her first husband and wife of Julian's step-son James G. who was in the West. Last were James G. and Polly's children George 5 and Sylvia Ann 3.

1870 -

1878 - widow to Steuben Co., IN (ref. lost).

1880 - Julian was 63, b. OH of PA parents in Keyser Twp., DeKalb Co. living with daughter Rebecca.

It has been claimed that Julian married five times. I question this. She was 18 at her marriage to George Daily, and she was under the second husband's surname in 1880. The interval between those marriages was small. Perhaps there was one more marriage somewhere along the line, but three more seems very doubtful.

Children by 1st wife:

*5-2-2-1-1-1 JOEL b. 1827-8; md. Mehitable ____.

*5-2-2-1-1-2 SAMUEL ALEXANDER b. 1829; md. Clarinda Angelina Blackwood.

*5-2-2-1-1-3 ALEXANDER b. 1831; md. Melissa ____.

*5-2-2-1-1-4 JAMES G. b. 1832-3; md. step-sister Polly Daily.

5-2-2-1-1-5 MARY ANN b. OH ca. 1834-5, 15 in 1850. A likely duplicate entry for her, also in Perry Twp., Allen Co. is as age 18 in the home of Dr. Elbridge Warlick, presumably as a domestic. She d. 1862; bur. Cedar Chapel Cem., Allen Co. She md. Gilbert Patterson. He b. 1835 who after her death remarried and went to Mich.

5-2-2-1-1-6 JOSEPH G. b. IN 1839-40, 10 in 1850.

5-2-2-1-1-7 SOLOMON b. IN 1840-1, 9 in 1850. Called a '49er, obviously too young for that but perhaps went West later. He served as Lt. Colonel Union Army in Civil War.

Children by 2d wife:

5-2-2-1-1-8 REBECCA b. IN 1852-3; md. 1st John DePew. He b. In 1850-1. He was 29 Keyser Twp., Allen Co. 1880 of PA father & OH mother. She was 27 of VA father and OH mother. She md. 2d ____ Cox and md. 3d _____. She d. 1924.

Children:

5-2-2-1-1-8-1 Olive DePew b. 1871-2, 8 in 1880.

5-2-2-1-1-8-2 Minnie DePew b. 1876-7, 3 in 1880.

5-2-2-1-1-8-3 Oliver DePew b. 1877-8, 2 in 1880.

Middlename from Indiana records.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

OHIO CROSS REFERENCES ALLEN CO.: GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800, sold land here 1838, but prob. never lived here.

OHIO CROSS REFERENCES MARION CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800, reportedly sold land here 1838.

INDIANA REFERENCES STEUBEN CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800. His widow said to have gone to Steuben 1878 but it was likely DeKalb where she is found in 1880.

Ellie Depew of Kings Mountain, NC (husband is desc. of Junian Essig DeLong) writes: How would you like to spend eternity with your mother-in-law? John Depew, who died Jan 22, 1897, at age 45, is buried next to Julian Essig, who died May 30, 1895(see below as likely 1896), at age 79. They share the same headstone. The engraving for her is on the side panel, and his is on the front. The grave is in Cedar Creek (she later says Cedar Chapel) Cemetery, a few miles south of Garrett, (DeKalb Co.) IN about a mile east of CR327.

Ellie Depew writes on Apr 24, 1999, "I was surfing the new LDS site this morning (www.familysearch.org), and I searched for Julian Essig. Imagine my surprise when it showed three marriages for her! One in 1831, one in 1832, and one in 1833, all in Stark County, but to only two different men. It shows her marrying George Dailey on Sept. 31, 1832, and again on February 31, 1833, neither of which can be a valid date. (NOTE: I prev. had Jan 31, 1833, I believe from Ellie) It says she married Peter Bowman on April 26, 1831. Since we had questions about how many times she was married, this could provide some answers.

I don't remember if I've told you or not, but I found Julian's grave. She died May 30, 1895 (now says 1896), and she was buried in Cedar Creek (she later says Cedar Chapel) Cemetery. Her son-in-law, John Depew shares her headstone, with his information being given on the broad side of the stone and hers on the narrow. (I took pictures, but they didn't turn out.) Rebecca's grave is nowhere in sight. I've also been to the two cemeteries in the Corunna area, and her grave is not there, either.

Perhaps if family didn't much like Rebecca, likely no one wanted pay to have her name engraved on the marker that John's name is engraved./rwd

From Ellie's e-mail of Jun 11, 1999 the following:

Now, as to the headstone, Julian's inscription is very worn, so I had trouble reading it, but on the pictures I took last week, as well as in the book of cemetery inscriptions for Cedar Chapel Cemetery, it's listed as 1896. And George DeLong is buried in the same cemetery, not far from her grave. I think that Rebecca and John bought the plot to bury her near him, and then it was used for them as well. If you go in the drive closest to CR68, their

Aldridge on Dec 27, 1900 in DeKalb Co., IN and the next marriage (4th) was to Joseph Henry Cox on July 2, 1904. Ellie has name as Rebecca Ann DeLong.) (NOTE: Jun 11, 1999, Ellie has new info that indicates 1st md. John Depew, 2nd Corder Howell, 3rd James M. Aldrich & 4th Joseph Cox. See below for more details)

Children:

5-2-2-1-1-8-1 Olive DePew b. 1871-2, 8 in 1880.

5-2-2-1-1-8-2 Minnie DePew b. 1876-7, 3 in 1880.

5-2-2-1-1-8-3 Oliver DePew b. 1877-8, 2 in 1880.

Following info from Ellie Depew (her husband was grandson of Oliver): (3/5/99)

John and Rebecca Depew had 8 children:

(1) Olivia (m. Joseph Fisher), (2) Minnie, (3) Oliver, (4) Leota (b. 1880 d. 10/31/1886), (5) Mila (b. May 1888, m. ? Shutta), (6) Harrison (b. May 1891), (7) Herman (b. Sept. 8, 1893), and (8) one other whose name may be either Joseph or Floyd (or a combination of the two), who was born between 1881 & 1885. He left home after a dispute with his mother, sometime before the 1900 census, wrote a few letters home from the West, and disappeared.

Joe and (1) Olivia Fisher had 7 children: Edna, Mary, Forest, Guy, Charles, Cleo, and Ralph. Edna married Austin Kiefer and had 8 children: Elaine, Phyllis, Joyce, Robert, Patricia, Edward, Joseph, and Betty. Joyce married Richard Laughlin and had 4 children: Cheryl, Richard, Christopher, and Michael.

(3) Oliver married Minnie Myers and had 8 children: Wilbur, Ethel, Florence, Grace, Raymond, Calvin, Velma, and Clifford.

(a) Wilbur and Marie Depew had 2 children: Iola and Harold.

(b) Ethel married Daryl Thompson and had 3 children: John, Paul, and LeOra.

(c) Florence married Gale Dragoo and had an unknown # of children (I'm working on this one. Shouldn't take much longer.)

(d) Grace married Earl Anderson and had one son, Derwood D.

(e) Raymond married Zora and had two children: Carl and Marian. Carl and first wife Joan have one daughter, Diane. He has two stepchildren, Geoffrey and Marcia, with his second wife Kathy. Marian and her husband, Bob Harder, have two sons, Larry and Michael.

(f) Calvin married Wilma Myers (no relation to Minnie) and had two sons, Richard (b. 1944) and Gerald (b. 10/10/1947). Richard married Kay Robertson (b. 1943) on 10/10/1964 and had two daughters, Michelle (b. 1970) (unmarried mother of Chelsea, aged 3) and Julie (b. 1976). Gerald married Ellie Fuchs (b. 9/9/1948) on 8/9/1969 and had two sons, Robert (b. 1972) and James (b. 1976).

(g) Velma married Vernon Dunn and had two sons, David and Michael.

(h) Clifford and Shirley Depew had two children: Gary, who married Barbara Warfield and has two daughters, Laura and Lisa, and Susan, whose first husband was Danny ? and whose second is Terry Gronau.

Laura and Lisa, and Susan, whose first husband was Danny ? and whose second is Terry Gronau.

Herman married Helen Mary Carteaux and had 9 children: Gueniver Grace, Hermine Frances, Marjorie Elenor, Paul Richard, Donald Joseph, Dolores Helen, Naomi Ann, Constance Carol, and Josephine Ruth.

Ellie Depew later wrote (4/11/1999) after a road trip to DeKalb Co., IN & surrounding areas: I did not find Rebecca's grave. I did find out that she was a terrible mother, that none of her children would talk about her except Harrison and Herman. Her last two husbands were wastrels and drunkards who didn't like her kids--only Harrison and Herman lived with her then--and (she) wouldn't let them into the house. They had to sleep in the storage shed, and no blankets were provided. Many nights they waited until the lights went out and then curled up under their mother's window. They were 7 and 9 years old when Rebecca married Aldridge. Herman began working, herding cattle for the Aldridge dairy farm, when he was eight years old. Ollie, Mila, and Oliver would always change the subject when their mother was mentioned.

Rebecca and John sold their farm on Dec 15, 1892, and Herman was born in Sep of 1893. John died at Ollie's house (she had been married about 8 years by then), but Rebecca never lived there. She bought a house in Corunna in 1899, where she lived until she died. There was no probate record, which was very unusual because there were three minor children, nor was there a death record. I think they had been separated for several years when he died, so she didn't bother with any legalities. That in itself was unusual for the Depews, because there are probates for all the rest of them.

Ellie Depew wrote Jun 11, 1999 12:35p:

Hi Roy,

I'm home from Indiana again. And I found some very interesting facts about Rebecca's married life while I was there. Ready?

First marriage: John Depew, DeKalb County, November 7, 1869

Second marriage: Corder Howell, Allen County, September 12, 1898

Third marriage: James M. Aldrich, DeKalb County, December 27, 1900

Fourth marriage: Joseph Cox, DeKalb County, July 2, 1904

John Depew died January 22, 1897. He shares a headstone with Julian Essig DeLong (d. May 1896) in Cedar Chapel Cemetery, DeKalb County (corner county roads 68 & 11, south of Garrett). According to his granddaughter, Marjorie Johnson of Garrett, her father, Herman Depew (John & Rebecca's youngest son who was only 3 years old when John died) used to take the family out to visit the grave every Sunday afternoon. He would talk to his mother. After Marjorie married, one visit was particularly poignant. Herman had bought a new car, his first in his entire life (about age 60), and he kept saying, "I've got a new car, Mom. You'd be so proud of me now, Mom," even as they were both crying.

The 1900 census lists Rebecca as head of household, marital status:

divorced. (I couldn't find the divorce record in DeKalb County, so it must be in Allen County. Care to look for it?)

James M. Aldrich sued Rebecca for divorce, which was granted to him as an annulment on January 18, 1893. She did not appear in court.

Joseph Cox and Rebecca bought additional properties next to her house in Corunna in 1905. He was killed in June 1906 when a train backed over him as he was picking up coal along the tracks in Corunna. (Waterloo newspaper, June 1906)

She did not remarry after Joseph was killed. She died of carcinoma of the stomach/nephritis in March 1924 and was buried in Cedar Chapel cemetery, according to her death record in Auburn. However, there is no inscription there that bears her name, which leads me to believe that she is buried in the same plot as John and Julian, which belief is given credence by Marjorie's memories. I think that her children, none of whom would discuss her throughout their adult lives because she had been mean and abusive, buried her there and then did not add an inscription because they wanted to forget her. There is no probate record because she deeded her Corunna properties over to her surviving children a few weeks before she died.

Isn't George DeLong (Rebecca's father) also buried in Cedar Chapel cemetery?

And what do you think of all of the above?

Ellie wrote June 11, 1999 11:30p:

Hi Roy,

Boy, do I have some questions to answer for you!

First of all, when I was at the DeKalb County Courthouse, Barbara Haynes and I were looking through the marriage register microfilm. In the index, a marriage between Rebecca DeLong and John Depew was listed, but in copying the info into the register, the listing was changed to Rebecca Depew & John Depew. A simple error in transcription that has caused much searching!

Now, as to the headstone, Julian's inscription is very worn, so I had trouble reading it, but on the pictures I took

last week, as well as in the book of cemetery inscriptions for Cedar Chapel Cemetery, it's listed as 1896. And George DeLong is buried in the same cemetery, not far from her grave. I think that Rebecca and John bought the plot to bury her near him, and then it was used for them as well. If you go in the drive closest to CR68, their grave is on the south (left) near a cedar tree just as you start to go around the bend. (Lots of DeLongs and Depews in this cemetery.)

The Huntertown Cemeteries are on Cedar Canyon Road, about a mile or so east of town. You'll turn right from Highway 3, if you're headed north. You'll be looking for the one that's fenced. I'll bet that the cemetery that you found was on old Highway 3, kind of up on the side of a hill. I've been there, too, but there wasn't anybody of interest to us there.

I've visited a lot of cemeteries in DeKalb, Noble, and Allen Counties, but I can't find Joseph Depew's grave, nor those of his wives (Delila, Ellen, Emily, and Mary Ann). Care to look for them for me? A couple of look-ups that would be easier for you and much appreciated for me would be the sale of John and Rebecca Depew's Cedar Creek Twp. farm in Allen County in 1897 - 1900 (copy of the deed would be nice, but not necessary) and her divorce from Corder Howell in 1899 or 1900 (probably Allen County). I know that it was not in DeKalb because I've already checked that. I'll wager that he sued her and was granted an annulment. I'll be happy to reimburse you for the copies. I also have a copy of John Depew's will, which was entered into probate in February 1897. Rebecca rejected the terms of the will in favor of the statutory rights granted to a widow. Parts of the will are on microfilm in the Allen County Library, but you'll get better copies if you go to the city-county building. There's a tiny office next to the County Clerk's office, and that's where you need to go. Her marriage license to Corder Howell is on file in the Clerk's office. You'll have to order a copy and wait for them to mail it to you. I'm still waiting, but it should be here in a day or two.

So I do good work? Thanks for the compliment. You don't know how badly I needed to hear that.

Ellie Depew of Kings Mountain, NC (husband is desc. of Junian Essig DeLong) writes: How would you like to spend eternity with your mother-in-law? John Depew, who died Jan 22, 1897, at age 45, is buried next to Julian Essig, who died May 30, 1895(see below as likely 1896), at age 79. They share the same headstone. The engraving for her is on the side panel, and his is on the front. The grave is in Cedar Creek (she later says Cedar Chapel) Cemetery, a few miles south of Garrett, (DeKalb Co,) IN about a mile east of CR327.

Ellie Depew writes on Apr 24, 1999, "I was surfing the new LDS site this morning (www.familysearch.org), and I searched for Julian Essig. Imagine my surprise when it showed three marriages for her! One in 1831, one in 1832, and one in 1833, all in Stark County, but to only two different men. It shows her marrying George Dailey on Sept. 31, 1832, and again on February 31, 1833, neither of which can be a valid date. (NOTE: I prev. had Jan 31, 1833, I believe from Ellie) It says she married Peter Bowman on April 26, 1831. Since we had questions about how many times she was married, this could provide some answers.

I don't remember if I've told you or not, but I found Julian's grave. She died May 30, 1895 (now says 1896), and she was buried in Cedar Creek (she later says Cedar Chapel) Cemetery. Her son-in-law, John Depew shares her headstone, with his information being given on the broad side of the stone and hers on the narrow. (I took pictures, but they didn't turn out.) Rebecca's grave is nowhere in sight. I've also been to the two cemeteries in the Corunna area, and her grave is not there, either.

Perhaps if family didn't much like Rebecca, likely no one wanted pay to have her name engraved on the marker that John's name is engraved./rwd

that John's name is engraved./rwd

From Ellie's e-mail of Jun 11, 1999 the following:

Now, as to the headstone, Julian's inscription is very worn, so I had trouble reading it, but on the pictures I took last week, as well as in the book of cemetery inscriptions for Cedar Chapel Cemetery, it's listed as 1896. And George DeLong is buried in the same cemetery, not far from her grave. I think that Rebecca and John bought the plot to bury her near him, and then it was used for them as well. If you go in the drive closest to CR68, their grave is on the south (left) near a cedar tree just as you start to go around the bend. (Lots of DeLongs and Depews in this cemetery.)

September 22, 1857, Julia Ann DeLong does quit claim, to Nathaniel Fitch, for \$1500 the East half of the North West Quarter and the West half of the North East Quarter, except 9 acres off the East side of the last peice in Section 4, Township 32, Range 12, containing 140 acres... ..Recorded March 16, 1858... ..Book U, Page 635.

1850 Census of Butler Township, DeKalb County, IN says:

Julia Ann Dailey.....	35.....	F.....	Ohio.....	born 1815
Andrew Dailey.....	16.....	M.....	Farmer.....	Ohio.....born 1834
Polly Dailey.....	14.....	F.....	Ohio.....	born 1836
George Dailey.....	6.....	M.....	Ohio.....	born 1844
Elizabeth Dailey.....	4.....	F.....	IN.....	born 1846

If Julia Ann married George Dailey in 1832 or 1833 as stated above this is probably the Julia Ann who then married George DeLong. Apparently George Dailey has died by 1850 as she seems to be living alone with her children.

Also in the 1850 census we find a Julia Ann Dailey, age 8, in the household of John and Martha Antruh. And also a Catherine in the household of Hugh and Martha Watt at age of 10.

In the 1860 census we find a John age 22, who is living with Julia Ann, 45, with Julia Ann and John and Polly and George and Elizabeth. All appear to be the children of Julia Ann and George Dailey.

5-2-2-1-1-8-3 Oliver DePew b. 1877-8, 2 in 1880.

Following info from Ellie Depew (her husband was grandson of Oliver): (3/5/99)

John and Rebecca Depew had 8 children:

(1) Olivia (m. Joseph Fisher), (2) Minnie, (3) Oliver, (4) Leota (b. 1880 d. 10/31/1886), (5) Mila (b. May 1888, m. ? Shutta), (6) Harrison (b. May 1891), (7) Herman (b. Sept. 8, 1893), and (8) one other whose name may be either Joseph or Floyd (or a combination of the two), who was born between 1881 & 1885. He left home after a dispute with his mother, sometime before the 1900 census, wrote a few letters home from the West, and disappeared.

Joe and (1) Olivia Fisher had 7 children: Edna, Mary, Forest, Guy, Charles, Cleo, and Ralph. Edna married Austin Kiefer and had 8 children: Elaine, Phyllis, Joyce, Robert, Patricia, Edward, Joseph, and Betty. Joyce married Richard Laughlin and had 4 children: Cheryl, Richard, Christopher, and Michael.

(3) Oliver married Minnie Myers and had 8 children: Wilbur, Ethel, Florence, Grace, Raymond, Calvin, Velma, and Clifford.

(a) Wilbur and Marie Depew had 2 children: Iola and Harold.

(b) Ethel married Daryl Thompson and had 3 children: John, Paul, and LeOra.

(c) Florence married Gale Dragoo and had an unknown # of children (I'm working on this one. Shouldn't take much longer.)

(d) Grace married Earl Anderson and had one son, Derwood D.

(e) Raymond married Zora and had two children: Carl and Marian. Carl and first wife Joan have one daughter, Diane. He has two stepchildren, Geoffrey and Marcia, with his second wife Kathy. Marian and her husband, Bob Harder, have two sons, Larry and Michael.

(f) Calvin married Wilma Myers (no relation to Minnie) and had two sons, Richard (b. 1944) and Gerald (b. 10/10/1947). Richard married Kay Robertson (b. 1943) on 10/10/1964 and had two daughters, Michelle (b. 1970) (unmarried mother of Chelsea, aged 3) and Julie (b. 1976). Gerald married Ellie Fuchs (b. 9/9/1948) on 8/9/1969 and had two sons, Robert (b. 1972) and James (b. 1976).

(g) Velma married Vernon Dunn and had two sons, David and Michael.

(h) Clifford and Shirley Depew had two children: Gary, who married Barbara Warfield and has two daughters, Laura and Lisa, and Susan, whose first husband was Danny ? and whose second is Terry Gronau.

Herman married Helen Mary Carteaux and had 9 children: Gueniver Grace, Hermine Frances, Marjorie Elenor, Paul Richard, Donald Joseph, Dolores Helen, Naomi Ann, Constance Carol, and Josephine Ruth.

Ellie Depew later wrote (4/11/1999) after a road trip to DeKalb Co., IN & surrounding areas: I did not find Rebecca's grave. I did find out that she was a terrible mother, that none of her children would talk about her except Harrison and Herman. Her last two husbands were wastrels and drunkards who didn't like her kids--only Harrison and Herman lived with her then--and (she) wouldn't let them into the house. They had to sleep in the storage shed, and no blankets were provided. Many nights they waited until the lights went out and then curled up under their mother's window. They were 7 and 9 years old when Rebecca married Aldridge. Herman began working, herding cattle for the Aldridge dairy farm, when he was eight years old. Ollie, Mila, and Oliver would always change the subject when their mother was mentioned.

Rebecca and John sold their farm on Dec 15, 1892, and Herman was born in Sep of 1893. John died at Ollie's house (she had been married about 8 years by then), but Rebecca never lived there. She bought a house in Corunna in 1899, where she lived until she died. There was no probate record, which was very unusual because there were three minor children, nor was there a death record. I think they had been separated for several years when he died, so she didn't bother with any legalities. That in itself was unusual for the Depews, because there are probates for all the rest of them.

Ellie Depew wrote Jun 11, 1999 12:35p:

Hi Roy,

I'm home from Indiana again. And I found some very interesting facts about Rebecca's married life while I was there. Ready?

First marriage: John Depew, DeKalb County, November 7, 1869

Second marriage: Corder Howell, Allen County, September 12, 1898

Third marriage: James M. Aldrich, DeKalb County, December 27, 1900

Fourth marriage: Joseph Cox, DeKalb County, July 2, 1904

John Depew died January 22, 1897. He shares a headstone with Julian Essig DeLong (d. May 1896) in Cedar

Family Group Sheet

Chapel Cemetery, DeKalb County (corner county roads 68 & 11, south of Garrett). According to his granddaughter, Marjorie Johnson of Garrett, her father, Herman Depew (John & Rebecca's youngest son who was only 3 years old when John died) used to take the family out to visit the grave every Sunday afternoon. He would talk to his mother. After Marjorie married, one visit was particularly poignant. Herman had bought a new car, his first in his entire life (about age 60), and he kept saying, "I've got a new car, Mom. You'd be so proud of me now, Mom," even as they were both crying.

The 1900 census lists Rebecca as head of household, marital status:

divorced. (I couldn't find the divorce record in DeKalb County, so it must be in Allen County. Care to look for it?)

James M. Aldrich sued Rebecca for divorce, which was granted to him as an annulment on January 18, 1803. She did not appear in court.

Joseph Cox and Rebecca bought additional properties next to her house in Corunna in 1905. He was killed in June 1906 when a train backed over him as he was picking up coal along the tracks in Corunna. (Waterloo newspaper, June 1906)

She did not remarry after Joseph was killed. She died of carcinoma of the stomach/nephritis in March 1924 and was buried in Cedar Chapel cemetery, according to her death record in Auburn. However, there is no inscription there that bears her name, which leads me to believe that she is buried in the same plot as John and Julian, which belief is given credence by Marjorie's memories. I think that her children, none of whom would discuss her throughout their adult lives because she had been mean and abusive, buried her there and then did not add an inscription because they wanted to forget her. There is no probate record because she deeded her Corunna properties over to her surviving children a few weeks before she died.

Isn't George DeLong (Rebecca's father) also buried in Cedar Chapel cemetery?

And what do you think of all of the above?

Hi Roy,

Boy, do I have some questions to answer for you!

First of all, when I was at the DeKalb County Courthouse, Barbara Haynes and I were looking through the marriage register microfilm. In the index, a marriage between Rebecca DeLong and John Depew was listed, but in copying the info into the register, the listing was changed to Rebecca Depew & John Depew. A simple error in transcription that has caused much searching!

Now, as to the headstone, Julian's inscription is very worn, so I had trouble reading it, but on the pictures I took last week, as well as in the book of cemetery inscriptions for Cedar Chapel Cemetery, it's listed as 1896. The Huntertown Cemeteries are on Cedar Canyon Road, about a mile or so east of town. You'll turn right from Highway 3, if you're headed north. You'll be looking for the one that's fenced. I'll bet that the cemetery that you found was on old Highway 3, kind of up on the side of a hill. I've been there, too, but there wasn't anybody of interest to us there.

I've visited a lot of cemeteries in DeKalb, Noble, and Allen Counties, but I can't find Joseph Depew's grave, nor those of his wives (Delila, Ellen, Emily, and Mary Ann). Care to look for them for me? A couple of look-ups that would be easier for you and much appreciated for me would be the sale of John and Rebecca Depew's Cedar Creek Twp. farm in Allen County in 1897 - 1900 (copy of the deed would be nice, but not necessary) and her divorce from Corder Howell in 1899 or 1900 (probably Allen County). I know that it was not in DeKalb because I've already checked that. I'll wager that he sued her and was granted an annulment. I'll be happy to reimburse you for the copies. I also have a copy of John Depew's will, which was entered into probate in February 1897. Rebecca rejected the terms of the will in favor of the statutory rights granted to a widow. Parts of the will are on microfilm in the Allen County Library, but you'll get better copies if you go to the city-county building. There's a tiny office next to the County Clerk's office, and that's where you need to go. Her marriage license to Corder Howell is on file in the Clerk's office. You'll have to order a copy and wait for them to mail it to you. I'm still waiting, but it should be here in a day or two.

So I do good work? Thanks for the compliment. You don't know how badly I needed to hear that.

If you go in the drive closest to CR68, their grave is on the south (left) near a cedar tree just as you start to go around the bend. (Lots of DeLongs and Depews in this cemetery.)

The Huntertown Cemeteries are on Cedar Canyon Road, about a mile or so east of town. You'll turn right from Highway 3, if you're headed north. You'll be looking for the one that's fenced. I'll bet that the cemetery that you found was on old Highway 3, kind of up on the side of a hill. I've been there, too, but there wasn't anybody of interest to us there.

I've visited a lot of cemeteries in DeKalb, Noble, and Allen Counties, but I can't find Joseph Depew's grave, nor those of his wives (Delila, Ellen, Emily, and Mary Ann). Care to look for them for me? A couple of look-ups that would be easier for you and much appreciated for me would be the sale of John and Rebecca Depew's Cedar Creek Twp. farm in Allen County in 1897 - 1900 (copy of the deed would be nice, but not necessary) and her divorce from Corder Howell in 1899 or 1900 (probably Allen County). I know that it was not in DeKalb because I've already checked that. I'll wager that he sued her and was granted an annulment. I'll be happy to reimburse you for the copies. I also have a copy of John Depew's will, which was entered into probate in February 1897. Rebecca rejected the terms of the will in favor of the statutory rights granted to a widow. Parts of the will are on microfilm in the Allen County Library, but you'll get better copies if you go to the city-county building. There's a tiny office next to the County Clerk's office, and that's where you need to go. Her marriage license to Corder Howell is on file in the Clerk's office. You'll have to order a copy and wait for them to mail it to you. I'm still waiting, but it should be here in a day or two.

So I do good work? Thanks for the compliment. You don't know how badly I needed to hear that.

*5-2-2-1-1-4 JAMES G. b. 1832-3; md. step-sister Polly Daily.

JAMES G. (5-2-2-1-1-4) b. 1832-3 in OH, taken to DeKalb Co., IN as an infant.

1840 - Father's enumeration hard to interpret with sons' known dates.

184_ - Taken to Allen Co., IN.

1849 - He was called a 49er by relatives. He might have been the James 21, b. OH living in Eldorado Co., California in 1850, though that age is a bit high. His diary and papers do not include mention of CA. Also he was definitely listed in Indiana in parents' home in 1850, though it could have been absentee listing.

1850 - 17 with parents.

1853 - Md. 3 Nov 1853 Polly Dail(e)y, his step-sister, in Allen Co. IN. She b. OH 25 Feb 1836. I think a duplicate of their marriage must be that of George DeLong and Mary Ann Daily, DeKalb Co., IN, 16 Jun 1852. Note his middle initial was G., and Polly is nickname for Mary. (Dailey Polly James DeLong W Nov 3 1853 3 93)

1859 - Per his diary, he reached Colorado in Dec. Polly had gone as far as St. Louis, then returned to IN and lived with her mother awaiting his return.

1860 - Her children were with her mother. Was she there or in St. Louis?

1861 - He returned to IN by this date.

1863 - Mustered into Co. F, 118th IN Inf. at Corunna, DeKalb Co., age 30. Traditionally he served twice, once for himself and once for an uncle.

1870 -

1877 - He d. 24 Dec 1877; bur. Fairfield Twp., DeKalb Co.

1880 - She was 45 in DeKalb, Fairfield Twp.

188_ - She went to Steuben Co., IN. One report which reached us said this was in 1878, but note she was still in DeKalb in 1880.

1900 - As Pollie, in Jackson Twp., Steuben Co., IN, b. Feb 1836 in OH, living with son-in-law Charles Warring.

1906 - She d. 6 Aug 1906; bur. Fairfield Twp. with James.

*5-2-2-1-2 JOSEPH JR. b. VA prob. ca. 1805 under 16 in 1820; md. Jane Graves.

JOSEPH Jr. (5-2-2-1-2) b. VA prob. ca. 1805.

1810 - Oldest of three sons 5-9, Botetourt Co., VA.

1816 - Taken to Miami Co., OH about this time.

1820 - Oldest of 3 sons 10-15.

182_ - Md. Jane Graves. She b. 1804-5 in NY. Her name is from death cert. of son Rufus, first name confirmed by 1850 census. (In his many confusing communications, Jim Harvey in one letter called her Jennie Noble, in another Kathryn, the latter being confusion with Joseph DeLong, son of his uncle Jacob.)

1830 - Bethel Twp., Miami Co., OH as Joseph D. Long Jr. 00001/10001 (seemingly duplicated on same page as Joseph Long, same enumeration schedule.)

1838 - Still in OH at birth of a son.

1838-39 - To DeKalb Co., IN prob. in 1838 as his older brother G. W. seems to have reached DeKalb about that time.

1840 - DeKalb Co. 211001/010001.

1841 - likely the Joseph who purchased 40 acres SE__SW__, Sec 22, Twp., 35N, Range 13E (DeKalb Co., IN) signature date 11/10/1841.

1845 - Obviously not deceased as claimed by Jim Harvey.

1849 - Named in father's will.

1850 - Smithfield Twp., DeKalb Co. age 50 (a bit too old judging from all earlier census) b. VA, Jane 45 b. NY. (In Harvey's meanderings, he once submitted their ages as 70 and 75 both b. NY, then wrote a mutual corresp. that Jane was b. Scotland. Also he wrote of a Rev. War Record for Joseph with two women claiming the pension, confusing subject with the older Joseph (1-2-11-8) b. 1768 of Volume 1).

1856 - Named in father's estate settlement.

1860 - Union Twp., DeKalb Co., IN, Joseph 50, b. VA (occupation: Ash Cat/Ashery) & Jane 49, b. NY. Ebenezer, 23; Charles, 19; Drucilla, 18; James, 14, Ruper, 10. Ebenezer b. OH, all other ch. shown b. IN.

1885? - Harvey wrote T. Palmer that a Joseph b. PA; d. 1885, age 95; bur. Waterloo, DeKalb Co. This record despite the excessive age and state of birth, may be a clue to subject's death and burial. He reported it as a government headstone, which seems questionable and thus may refer to a much younger man -- he was too young for the War of 1812, too old for Civil War, and few Ohioans served in the Mexican War.

or else she d.y. and another unknown dau. was born 1830-35. Or see next.

5-2-2-1-2-2 (SON) b. 1825-30, age 10-14 in 1840 yet not included in the household in 1830. Perhaps a plausible explanation for a daughter born before 1830 per 1830 census but a son before 1830 per 1840 census is that the first born was a son and inadvertently counted as a dau. in 1830.

5-2-2-1-2-3 JOHN b. 1831-2 in OH, age 5-9 in 1840, 18 in 1850. He is listed last in the 1850 household. Was this because he was overlooked as the chronological entries were made, because he was by an earlier wife, or because he was a relative other than a son?

5-2-2-1-2-4 SILVA b. 1836-7 in OH, age 0-4 in 1840, 13 in 1850. She md. 30 Sep 1855 in DeKalb Co., Henry Tucker (Ref. LDS)

*5-2-2-1-2-5 EBENEZER b. OH prob. 1838; md. Anna M. ____.

EBENEZER (5-2-2-1-2-5) b. Jan 1838 or 1839 in OH. Though in later censuses he backed his birth to 1828-32. Taken to DeKalb Co., IN as infant.

1840 - Older of two sons age 0-4.

1850 - Age 12.

1860 - w/parents Union Twp., DeKalb Co., IN, as Ebenezer age 23, b. OH, a laborer..

1862 - Md. DeKalb Co., 2 May, Anna M. Cronk b. IN, 1843-4 per 1880 census (her birth of Jan 1852 per 1900 census cannot be correct).

1863 - Mustered into Company C., 30th IN Inf. age 24.

1870 -

1880 - Waterloo, Union Twp., (but I have it as Grant Twp in 1900) DeKalb Co. age 49 which is too old per 1850 census) Anna was 36.

1900 - No Wayne St., Waterloo, IN. He was 71 so continued to advance his age unexplainably. He gave birth as Jan 1829, so perhaps Jan 1839 was intended though Jan 1838 better fits his 1850 age. She was 48, b. Jan 1852(cannot be correct).

1908 - Mrs. Ryba DeLong Eberly, gr-dau of brother Rufus, wrote Thelma Palmer that Ebenezer drowned in a canal in 1908, age 76, which again is too old compared to 1850, correlates with 1880, is somewhat less than 1900.

1863 - Trad. served in the Civil War. Likely was the Charles of Co. C 30th IN Infantry. (in which brother Ebenezer served) although age of 24 is a little high. Also this muster record reportedly gives birth as Steuben Co., IN.

The Dec. does correlate with the 1850 census record and his death record also claims a younger age. Wife was 23 in 1900. They lived in Smithfield Twp. where his father had lived.

1906 - Died 7 May 1906 in Waterloo, Grant Twp., DeKalb Co. His death record says b. 20 Dec (fits the month of 1850 and 1900 records) but the year as 1852 which is in between the records given in 1850 and 1900.

*5-2-2-1-2-5 EBENEZER b. OH prob. 1838; md. Anna M. ____.

EBENEZER (5-2-2-1-2-5) b. Jan 1838 or 1839 in OH. Though in later censuses he backed his birth to 1828-32. Taken to DeKalb Co., IN as infant.

1840 - Older of two sons age 0-4.

1850 - Age 12.

1860 - w/parents Union Twp., DeKalb Co., IN, as Ebenezer age 23, b. OH, a laborer..

1862 - Md. DeKalb Co., 2 May, Anna M. Cronk b. IN, 1843-4 per 1880 census (her birth of Jan 1852 per 1900 census cannot be correct).

1863 - Mustered into Company C., 30th IN Inf. age 24.

1870 -

1880 - Waterloo, Union Twp., (but I have it as Grant Twp in 1900) DeKalb Co. age 49 which is too old per 1850 census) Anna was 36.

1900 - No Wayne St., Waterloo, IN. He was 71 so continued to advance his age unexplainably. He gave birth as Jan 1829, so perhaps Jan 1839 was intended though Jan 1838 better fits his 1850 age. She was 48, b. Jan 1852(cannot be correct).

1908 - Mrs. Ryba DeLong Eberly, gr-dau of brother Rufus, wrote Thelma Palmer that Ebenezer drowned in a canal in 1908, age 76, which again is too old compared to 1850, correlates with 1880, is somewhat less than 1900.

1850 - Age 8.

1860 - Father's enum. not noted. (I found: w/parents in Union Twp., Dekalb Co., IN, age 19, a laborer, b. IN./rwd)

1863 - Trad. served in the Civil War. Likely was the Charles of Co. C 30th IN Infantry. (in which brother Ebenezer served) although age of 24 is a little high. Also this muster record reportedly gives birth as Steuben Co., IN.

1867 - Md. DeKalb Co., IN, 30 Oct, Sarah A. Fisher. She b. OH, 1850-1.

1870 -

1880 - City of Waterloo, age 39 b. IN and she 29 b. in OH.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

INDIANA REFERENCES STEUBEN CO.: CHARLES (5-2-2-1-2-6) b. 1841-42, of adjacent DeKalb is apparently noted as b. Steuben Co. in Civil War muster roll though DeKalb is likely correct.

*5-2-2-1-4 JAMES b. VA prob. ca. 1806; md. Barbara Elizabeth Fair.

JAMES (5-2-2-1-4) b. VA, prob. c. 1806.

1810 - The middle of three males age 0-9.

1816 - Taken to Miami Co., OH about this time.

1820 - The middle of three males age 10-15.

1830 - Gone from home.

1833 - Md. (Miami Co., OH?) 11 Nov. 1833 Barbara Elizabeth Fair. She b. prob. 1813-4 in MD per 1860 census (1850 census says 1816-7 and the History of DeKalb Co. (1914) says b. PA.)

1838 - The History of DeKalb Co. says he settled Butler Twp., DeKalb Co. IN when son Henry (b. 1836) was 2. This correlates with probably settlement dates in DeKalb for older brothers G.W. & Jos. Jr. It adds he later settled in Fairfield Twp. No mention is made of Perry Twp., Allen Co. where we find him by 1840.

1840 - Perry Twp., Allen Co. 100001/01001.

1850 - Perry Twp. age 40, b. VA and she 33, b. MD. Too young for him (see 1860) so perhaps a bit too young for her.

1860 - Perry Twp. age 54, b. VA which seems the best approximation for him based on father's 1810 and 1820 censuses. Wife was 46, b. MD, suggested as best approximation for her.

1867 - Thelma Palmer had his death as 1867, age 68-8-2, which is far too old compared to all censuses. Perhaps it was a misreading of a t.s. which might have read age 63-8-2.

Children:

*5-2-2-1-5-1 ASA b. 1834; md. Elizabeth Pottee or Pates.

5-2-2-1-5-2 SOLOMON b. ___ Mar 1836 in OH, 14 in 1850. Mustered into Co. B, 101st IN Infantry at Bluffton 1862, age 26. He was 23 in 1860 census, 33 in 1870, 43 in 1880. Unmarried in 1887; 64 in Harrison Twp., in 1900 a boarder in home of Wm. Bourman, in Wells Co.

5-2-2-1-5-3 GEORGE b. in Miami Co., OH, prob. 8 Jul 1840 as appears in an LDS record which however erroneously says Wells Co., IN. He was 11 in 1850 census, 19 in 1860, 29 in 1870. He was 21 when mustered into Company A, 34th IN Infantry at Anderson, IN, in 1861. Md. 17 or 20 Dec 1877 (LDS presumably from Co. record) Sarah Elizabeth Cole. She b. 1852-3. They lived next to his father in Lancaster Twp., in 1880, George 38, Sarah E. 27, b. OH of NY father and OH mother. In the home was Oliver M. Cole, age 4, see under sister Mary below. George died before 1900 when we find Sarah E. in Lancaster Twp. age 57 b. Jun 1852 in OH. With her were nephew Ralph Thomas b. Jul 1879, niece Ethel Thomas b. Jun 1882 and nephew Oliver M. Cole age 24, again see under Mary below.

Family Group Sheet

*5-2-2-1-5-4 JOSEPH b. 1849 in IN; md. Louisa Mary Brinckley.

5-2-2-1-5-5 MARY ANN b. 1852-3 in IN, 7 in 1860; md. 15 Apr 1875 Charles Cole in Wells Co.

Children:

5-2-2-1-5-5-1 Oliver M. Cole b. Feb 1876 per 1900 census. He was 4 in 1880, living with George and Sarah Eliz (Cole) DeLong, relationship listed as "N" which perhaps means nephew and with widow Sarah Eliz. in 1900 when he was apparently clearly identified as nephew. Until we are more sure of the information, we must reserve the possibility that George's wife was a widow Cole and sister to the husband of Mary Ann, and Oliver was thus nephew to both George and Sarah E.

Note: Also in Bluffton 1870, and still there in 1880 was HENRY DELONG prob. b. OH 1846-7 (per 1870; 1800 indicates 1850-1 in IN) with wife Rachel and family. He was obviously not a s/o Alexander nor can I suggest him as a nephew. He is to be found in Vol. 8 under Indiana: Wells County.

1860 census Lancaster Twp., Wells Co., IN: (July 10, 1860)

820 750 Alexander Delong 54 m Farmer 2500 1200 Virginia (b. ca 1806)(*)

Elizabeth " 50 f Ohio (b. ca 1810)

Solomon " 23 m Farmer 200 " (b. ca 1837)

George " 19 m Farmer " (b. ca 1841)

Joseph " 9 m Indiana (b. ca 1851)

Mary A. " 7 f " (b. ca 1853)

4/21/97 very soon will write JDB to find if he knows what Vol. of Delongs above belong in. I could not locate any candidates in Vol. 1,3,4,13, Can. Only likely Alexander was b. 1809 and a member of Vol. 5, as this is an incomplete Vol. for me that's all I know. 5/1/97 JDB writes back that my guess was correct.

(*)- JDB says too old but it does read this way.

JDB says Alexander Delong (5-2-2-1-5) settled Wells Co., IN in 1847.

Ralph C. Thomas was over five years of age when his father died, and he and his oldest sister Maude were then taken into the family of George DeLong of Lancaster Township. Mr. DeLong was a real father to him and Mr. Thomas, who is a man who never forgets a kindness, has always shown the greatest of gratitude to the memory of this good old Wells County citizen. Mr. DeLong was born in Ohio and came to Wells County as a pioneer in 1842, settling northwest of Bluffton where he entered 160 acres of land. He was an old soldier, having enlisted in Company A Thirty-fourth Indiana Infantry with Captain Swain, and was with his regiment through most of its service. At the battle of Champion Hill - - during the Vicksburg campaign he was wounded. Mr. DeLong was an active republican and passed away November 7, 1899.

*5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though other dates will be encountered below.

1816 - Taken to OH about this time.

1820 - The son age 0-9.

1830 - The son age 15-19.

1830s - Said to have been an early explorer in DeKalb Co., IN. This is not unreasonable as three older brothers settled there 1838-9 and he was to live there after his marriage.

1837 - likely the Solomon who purchased 55.75 acres W1/2SE__, Sec 6, Twp., 33N, Range 15E (DeKalb Co., IN) signature date 3/15/1837.

1840 -

1841 - He crossed back into western OH and md. 21 Aug 1841 in Defiance Co. Mariah Landis. She b. 11 Dec 1821 in Preble Co., OH d/o David and Mary Landis. (Paulding Co., OH marriage record: DeLong, Solomon Maria Landis Aug 26, 1841.)

*5-2-2-4 JOHANN GEORGE, called GEORGE b. 4 Mar 1774 (Hinke) or 4 Apr 1774 (Ziegler). Bp. Maxatawny, Berks Co., 29 May 1774; md. Elizabeth Statler.

JOHANN GEORGE (5-2-2-4) b. 4 Mar 1774 (Hinke), 4 Apr 1774 (Ziegler); bp. 29 May 1774 Maxatawny, Berks Co., PA. Sponsors John George Falck and wife Dorothea.

1790 - Whereabouts unknown, probably with relative.

1800 - Whereabouts unknown. Presumably unmarried, he could have been with relatives in PA, or gone into Virginia with brother Johann Joseph. Brother Johann Jacob may also have been with Joseph as he was in VA by 1806.

1805 - Took land at the Cincinnati Land Office as George DeLong, land in Montgomery Co., OH 29 Jun 1805. He did not necessarily move at that time. Brother Joseph did not go to OH until after 1815 and there is no reason to think that brother Jacob did - he was certainly in VA in Oct 1806.

1806 - Perhaps md. about this time Elizabeth Statler b. VA ca. 1789-90, assuming their son George Jr. was born at least by about 1807 as indicated by one, possibly two, records (See under George Jr.) Elizabeth was d/o George Statler, a soldier of the War of 1812. Her birth as 1789-90 is determined by the 1860 and 1870 censuses, her county death record puts birth between Feb 1788 and 1789 and her t.s. approximates May 1787. 1840 suggest born 1790 or later, and the 1850 census is open to dispute.

1808 - Brother Joseph bought land in 1805 in Botetourt Co., VA, and there was a "deed in" for a George in Botetourt Co., 1808. Since this same land was deeded out in 1814, we presume it does not pertain to the unidentified other George DeLong b. 1777, probably a relative, who married in Botetourt in 1798 and lived a long life there. We need a search of Botetourt records; perhaps the younger George did buy in 1808 and sell in 1814, but presumably he was landed at death as he left a will.

1810 - Not in census of PA, nor in Botetourt Co., VA. Ohio census mostly non-existent but probably not there yet.

1813 - Had reached OH by this time. Phillip Hull and Mary Hull wife, appointed Daniel Symms, register of the land office at Cincinnati, Ohio as their attorney. Deed to George D. Long of Miami County for the northwest quarter of Section No. 32 in Township No. 2 of Range No. 9 between the Miami Rivers so soon as the Patent from the President of the United States to said Phillip Hull shall be received in the office of Daniel Symms. 15th of February 1813 (1:199-200)

1815 - 1 Feb 1815 Phillip Hull of Miami County to George D. Long of Miami County for the sum of \$750 for the Northwest quarter of Section 32, Township 2, Range 9, containing "one hundred and six one acres" (sic) Recorded 24th day of May 1815 (2:393-3)

1820 - Bethel Twp., Miami Co. 300100/30010. Only one of the three sons age 0-4 can be identified for sure, William b. 1814. Another is likely George Jr. but he was more likely about 13 than under 5. The girls were

Household Members:

William b. 1814. Another is likely George Jr. but he was more likely about 13 than under 5. The girls were Christina, Ellen and Sarah.

1830 - Bethel Twp., Miami Co. as George D. Long Sr. 12110001/2021001. The son 15-19 could be George Jr. who however was more likely about 23. Or it might be the unknown third boy of 1820. The son 10-14 would be William, the youngest three were Washington, David and Abraham. The girls were the three of 1820 (unless one was replaced by George's possible wife of 1825) plus Elizabeth and Henrietta.

1836 - His will dated 20 Oct 1836, of Bethel Twp., names only wife Elizabeth. Brother Joseph was among witnesses. Another reference to association of the the two men is that George's children Ellen Surfus, Sarah Fitch and Abraham all appear in old records of the DeKalb Co., Ind. reunion of some of Joseph's descendants.

Died 26 Oct 1836. His tombstone as George D. Long Sen., broken though still legible (1979) at the Bethel Cemetery, S.R. 202 just N. of US 40, give age as 64 instead of 62.

Will probated 31 Oct 1836; on 7 Nov son William and brother Joseph and John C. Crawford were appointed administrators.

1840 - The widow appears in Bethel Twp. as Elizabeth Long 12112/0011201. The daus. over 20 are Ellen and Sarah; the dau. 15-19 is Elizabeth; the 10-14 is Henrietta. The youngest son is Edward, those 5-9 are T. J. and Isaac, the 10-14 is Abraham. The 15-19 is probably David. Those 20-29 were William and likely Washington who however was only about 17. An alternate interpretation is that the men 20-29 were William and George Jr., while either David or Washington was omitted or perhaps working away from the home.

1850 - She was 60 in Bethel Twp, b. VA per one reading. And now a new film has come along which looks to me like 50 though perhaps 59 was intended. It does not seem to be 60. Children's ages are also wrong. Son William was head of household.

1851 - Horatio Terome, executor of last will and testament of David DeLong late of Miami Co., as of the April term of Common Pleas Court of Miami Co. 1851 for the sum of \$200 by William DeLong, purchaser of one undivided eleventh part of 60 acres of land in the North part of fractional Section 2, Township 1, Rang 9 and one undivided eleventh part of the Northwest quarter of Section 32, Township 2, Range 9, being an undivided part of the Homestead of George DeLong Sen. late of said county deceased, subject to the life estate of Martha E. DeLong. [David's wife] 23rd August 1851 [26:537-538]

From this it appears that eleven surviving siblings shared in David's inheritance from their father, subject to the widow's life estate. (Those deceased were George Jr. and the son born before 1820, name unknown.)

1860 - She was 70 in Bethel Twp., b. VA.

1867 - 25th day of October 1867, Elizabeth DeLong did by deed of that date recorded in Book 1, page 13 of the lease record of Miami Co., Ohio in consideration of the rents, covenants, and stipulations of David D. Young. [48:550] Young was the husband of daughter Henrietta.

1870 - Township of Bethel, County of Miami, Northwest quarter of section 32, Township 2, Range 9, and the ground intermediate on the West between said quarter and the Miami River containing 220 acres. David D. Young released all the estate, right title, and interest in the above land. Received Dec. 14, 1870. [48:550]

1870 - She was in Bethel Twp., age 80 b. VA living with daughter Harriet and her husband.

1872 - She died Tippecanoe 13 Feb 1872, age 83 per county death record so born prior to Feb 1789. Tombstone at Old Bethel Cemetery reads 15 Feb 1872, age 84 years 9 Months so born by May of 1787. These contradict 1860 & 1870 censuses which indicate b. Jul 1789 to Jun '90. Elizabeth's tombstone reads:

Her toils are over, the work is done
and she is fully blest.
She fought the fight, the victory won
and entered into rest.

1872 - David D. Young and Henrietta Young, John Ross and Eliza Ross, Nathaniel Fitch and Sarah Fitch, William DLong, Thos J. DLong and Edward DLong sold to Samuel Sullivan for the sum of \$5640 part of fractional section no. 2, Town 1, Range 9 East and part of the northwest quarter of section no. 32, Town 2, Range

On 6 Aug 1872 said court ordered that said Martha DeLong should sell the following property: the undivided 2/13 parts of 220 acres known as the George DeLong farm. North part of fractional Section 1 [should be 2], Town 1, Range 9 and the northwest quarter of fractional Section 32, Town 2, Range 9.

1874 - Washington DeLong, Christina Fair, Ellen Surface, John Surface, and Harriet DeLong of DeKalb Co., Indiana sold their interest in the part of Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 to David D. Young for the sum of \$750. Aug 1874. [54:444]

1874 - Nathaniel and Sarah Fitch sold all rights and interest they have in the farm known as the George DeLong farm which is part of fractional Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 with 160 acres. Sold to David D. young for the sum of \$1000. Affidavit from Allen Co., Indiana, home of Nathaniel and Sarah Fitch on 15 Aug 1874. [54:444]

Sold to David D. young for the sum of \$1000. Affidavit from Allen Co., Indiana, home of Nathaniel and Sarah Fitch on 15 Aug 1874. [54:444]

Children: (more info filed w/individual child)

5-2-2-4-1 GEORGE Jr. born perhaps as early as ca. 1807 if he were the man of 1825 and 1826 records following, in which he was presumably at least 18.

5-2-2-4-2 WILLIAM b. 9 Jul 1814, probably in Ohio as per 1850 census, rather than WV as given in death record.

5-2-2-4-3 CHRISTINA probably b. 1815-16, was age 15-19 in 1830 and md. 19 Aug 1835 Abraham Fair in Miami Co.

5-2-2-4-4 ELLEN b. 25 May 1818, calculated from death 20 Feb 1897, age 78-8-25. She was 10-14 in 1830, 20-29 in 1840. She md. 1842 John Surfus also Surface who d. 31 Mar 1891, age 78-5-24, both buried Cedar Grove Cem., DeKalb Co., IN.

5-2-2-4-5 SARAH b. 1818 per Brant & Fuller's Upper Maumee Valley I:316, which would make her a twin to Ellen.

5-2-2-4-6 (SON) born perhaps 1819-20. The 1820 census shows three males age 0-9. 1819-20 seems a convenient date to place him, though he could have been born prior to William of 1814.

*5-2-2-4-7 WASHINGTON b. 1823; md. Mary Cath. Wimer.

Family Group Sheet

5-2-2-4-8 DAVID b. August 1824. He md. 4 Oct 1849 Martha Martin in Miami Co. his t.s. with that of parents in Old Bethel Cem. says he d. 1 Jul 1850, age 25-10-? (apparently the days are illegible.) The death date may be too late -- his will of 15 May 1850 was reportedly probated 30 Jun 1850. He did live long enough to be included in the 1850 census.

5-2-2-4-9 ELIZABETH "ELIZA" b. 1825; d. 1912 per desc. Mary Ellen Martin, buried West Charleston Cem., Bethel Twp. She was in the under 5 bracket in 1830, but placed in 15-19 in 1840. She md. Mar 1845 John Ross Jr. b. 21 Jul 1814; d. 4 Jan 1897; bur. West Charleston Cem.

5-2-2-4-10 ABRAHAM b. perhaps ca. 1827-8.

5-2-2-4-11 HENRIETTA b. probably by time of the 1830 census and the younger of the two daughters under 5 that year, and the girl 10-14 in 1840. The 1850 census lists her as 18, but it is low for her siblings and probably low for her also. She md. 21 Sep 1857 (not 1856) David D. Young in Miami Co.

*5-2-2-4-12 ISAAC b. prob. ca. 1833; md. Martha Sullivan.

5-2-2-4-13 THOMAS JEFFERSON b. ca. 1835, younger of two sons age 5-9 in 1840 and age 24 in 1860. Age of 12 in 1850 is too low. Of Miami Co. 1872 and in Davidson Co., TN in 1874. at time of brother William's death in 1886 he had not been heard from in some time, but he returned before date of brother-in-law John Ross' will in the 1890s.

5-2-2-4-14 EDWARD b. 1836-7 perhaps posthumously, the son under 5 in 1840 and age 23 in 1860. Age of 10 in 1850 is too low. He resided Van Wert Co. OH in 1872 then traditionally lived and was buried in Wichita, Kansas.

1872 - She died Tippecanoe 13 Feb 1872, age 83 per county death record so born prior to Feb 1789. Tombstone at Old Bethel Cemetery reads 15 Feb 1872, age 84 years 9 months so born by May of 1787. 5-2-2-4-1 GEORGE Jr. born perhaps as early as ca. 1807 if he were the man of 1825 and 1826 records following, in which he was presumably at least 18. In 1826, his uncle Joseph (5-2-2-1) sold land to George DeLong Jr. And the Miami Co. marriage abstracts show the 30 Mar 1825 marriage of George D. Long Jr. to Mary Ann Rudy. This however needs verification as the same book also shows the marriage (supposedly one day later) of George S. Long Jr. and Mary Ann Rudy. It is possible he was the George D. Long Jr. of Bethel Twp. 1830 20001/0001, but I feel that belongs to his cousin George W. as it satisfactorily represents the latter's family. Whether or not he married, he was either single or a widower without children at the time of his death as there was no bequest to a wife or child. His will, which reportedly names the parents and some brothers, was probated 7 Aug 1843 and must have been written before his father's death 26 Oct 1836. The heirs were father George, mother Elizabeth, and brothers William, Washington, David and Abraham; the sisters and the other brothers apparently omitted.

Further to the preceding, I have an old note from Thelma Palmer regarding the will of George D. Long of Bethel Twp., indexed as "18 07-45" which must refer here. Witnesses were Seth Thompson James Brown & Abel Brotherton. She says it names wife Elizabeth. Probably it names mother Elizabeth.

5-2-2-4-2 WILLIAM b. 9 Jul 1814, probably in Ohio as per 1850 census, rather than WVa as given in death record. One of three boys 0-9 in 1820, probably the boy 10-14 in 1830. 20-29 with his mother in 1840, and head of her household in 1850, age 35, followed by the mother and then younger siblings. He md. 16 Apr 1854 Susan Croy in Miami Co. His will dated 3 Aug 1886, he died 11 Aug 1886 (per t.s., age 72-1-3) which correlates with the birthdate above as given in his death record) and the will was proved in Miami Co. 23 August. (Another county record, apparently erroneous, reportedly says he died 20 Dec 1886, age 72-10-5). Executors of his will were John Ross Sr. and Jr.; John Sr. was his brother-in-law. Wife not named so presumably deceased. It names brothers and sisters and adds that if brother Thomas Jeferson doesn't present himself in two years, he will be looked upon as deceased... has not been heard from in a long time. A certified copy of the will is filed in adjacent Montgomery Co.

Betty Fitch (wife of desc. Warren) says: Actually after George DeLong died, Nathaniel Fitch bought some of his property from the heirs and they are all named in the contract. I have the original handwritten deed or whatever it was at the time. The family saved most of their legal contracts like that and I became the caretaker of them. Guess they never threw anything away even after the land was sold to someone else!! But that is the only one that mentions a DeLong. Nathaniel's old homestead house is still standing (1999) and it was in the family until about 5 years ago when it was sold to a gravel pit company!! There is just a little of the original land still belonging to

the family. Also 80 acres of virgin woods was deeded over to ACRES who turned it into the "Bicentennial Woods" and is open with trails, etc.

5-2-2-4-6 (SON) born perhaps 1819-20. The 1820 census shows three males age 0-9. 1819-20 seems a convenient date to place him, though he could have been born prior to William of 1814. In 1830, there were two males one 10-14, the other 15-19. The older fits William and the younger could be this third son. However, I suggest the older was George Jr. the younger being William although he was a bit older than the bracket indicates, and the third deceased. This may be the most likely scenario, as there is reportedly a t.s. for an infant in the family plot in Old Bethel Cemetery.

* 5-2-2-4-7 WASHINGTON b. 1823; md. Mary Cath. Wimer.

WASHINGTON (5-2-2-4-7) b. 13 Nov 1823 in Miami Co., OH. He has been called George Washington in earlier issues of this sheet, but I am not sure that was correct. He had an older brother named George. I cannot state how he appears in the many records cited below other than being just Washington in the Jul 1874 land transaction re his father's property.

1830 - Older of 2 sons 5-9.

1840 - Although nearing 17, he would appear to be the younger of two sons in the 20-29 category, though an alternate attempt to explain the census suggests that either he or his next brother David was away from the family household.

1849 - Md. 29 Apr 1849 (Miami Co.?) <I have marr. record for Allen Co., IN on listed date but year 1847/RWD> Mary Catherine Wimer/Weiner b. 29 Oct 1827. This marriage date may be subject to question or there may have been an earlier wife -- there were two children born by 1849.

184_ - Settled Allen Co., IN (before or after marriage?) All children born IN.

1850 - Perry Twp., Allen Co age 28 and 23, both b. OH.

1860 - Perry Twp., 37 and 33, both b. OH. (see below for details)

1862 - She d. 21 Jan 1862; bur Huntertown Cem., Huntertown, IN. (An alternate death year of 1859 is obviously in error as she was living in 1860). Their children were raised after her death by his sister Sarah Fitch. (t.s. has died Jan 21, 1862, age 35 y, 10 m, 8 d.)

1870 - presumably the Washington who md. DeKalb Co., IN, Oct 1870 Harriet Daily.

The death date may be too late -- his will of 15 May 1850 was reportedly probated 30 Jun 1850. He did live long enough to be included in the 1850 census -- David Long 26, a blacksmith, and Martha 20 are found in the home of John and Elizabeth Ross, his brother-in-law and sister. Very possibly his widow went immediately to Dayton, OH, in time to be included there in the census. A Martha DeLong, 23, widow, b. OH, was living in the 4th Ward home of J. J. Hopkins. David's will mentions real estate of his deceased father, name s wife Martha, brothers William and Abraham.

5-2-2-4-9 ELIZABETH "ELIZA" b. 1825; d. 1912 per desc. Mary Ellen Martin, buried West Charleston Cem., Bethel Twp. She was in the under 5 bracket in 1830, but placed in 15-19 in 1840. She md. Mar 1845 John Ross Jr. b. 21 Jul 1814; d. 4 Jan 1897; bur. West Charleston Cem., s/o John Sr. and Sarah. John and Elizabeth appear in the 1850 census of Bethel Twp; his widowed mother Sarah, 67, appears on same page. John Jr. would have been known as John Sr. by 1886 when he was an executor of the will of Elizabeth's brother William, together with a John Jr. who would likely be John III. They were 46 and 42 in Bethel Twp. in 1860. The first nine children below were with them.

Children:

- 5-2-2-4-9-1 Ann M. Ross b. 1843; md. 19 Feb 1874 Franklin P. Preckbill.
 5-2-2-4-9-2 Harrison C. Ross b. 1845; d. Jul 1864 in Civil War.

 *5-2-2-4-9-12 Ollie Adaline Ross b. 15 Aug 1885; d. 25 Jun 1945; md. 22 Jun 1911 John Walter Minsmore.
 (LAST 2 OR 3 CHILDREN WOULD PUT ELIZABETH PAST CHILD BEARING AGE, ARE THEY GRANDCH.?)

Note: A descendant of #11 Jessie, was Mrs. Charles E. (Mary Elizabeth) Martin, 74 W. Floyd Ave., Dayton OH 45415 in 1979. She was the reference for this list of children. In that she was daughter of Jessie, she is likely correct in this listing. Therefore I do not understand the list submitted more recently by Sharon Maingi which shows the first ten children but concludes with FANNIE and CHARLES rather than Jessie and Ollie.

5-2-2-4-10 ABRAHAM b. perhaps ca. 1827-8. We have no date for him and he could be one of the three males born by 1820, but he is named last among the brothers in the will of George Jr. and likely the youngest, therefore the male under 5 in 1830. He is not found in Ohio in 1850 and perhaps had left the state. His lands were sold 12 mar 1853 to Joseph Huggart. He was apparently deceased by 1872 settlement of his mother's land, he is not named in those transactions, nor in his brother William's will.

Notes

. One Miami County History says that George DeLong and his wife came from Virginia to Bethel Township, Miami County, Ohio. Elizabeth was a Statler according to the Indiana Allen County History, as it states that Sarah Elizabeth's mother was Elizabeth and her father was George DeLong and Grandfather, was George Statler.

George is buried in the Cemetery at the Bethel Dutch Reformed Church in Phoneton, Ohio, along with Elizabeth, son William, and son David. There is also another tombstone, unreadable.

George DeLong, Sr. is listed in the 1827 census taken in Miami County. Also listed are a George DeLong, Jr., possibly his first son and also Joseph DeLong, Sr. and Joseph DeLong, Jr. Joseph is his brother as they are close in age. Also buried in the cemetery is an Elizabeth Crane who is possibly his sister. Elizabeth born in 1775. We believe that George DeLong came from Botetourt County, Virginia. Elizabeth DeLong married Benjamin Crane and they had a son, Robert, who is also buried in the cemetery in Ohio. Elizabeth DeLong Crane died December 15, 1862 and was 87 years old. (New information about Elizabeth shows that she was Elizabeth Crane by marriage and then when her husband, Benjamin died in 1819, and Joseph DeLong's wife died in 1821, they were probably married and that is why her name is Elizabeth DeLong on the tombstone, and that was not her maiden name, so she was not a sister to George and Joseph.)

In reading various tombstone inscriptions and differing county histories and records it is easy to see that the name DeLong was often just spelled Long. That is because many of the records were written with the letter "D" and the recorders assumed it was a middle initial. I have seen it D. Long and just D Long as is on some of the stones. So when looking up facts about this family do not overlook the name Long, especially if the person has a middle initial of "D".

It would appear that George DeLong, Sr., died shortly after part of his children went to Indiana as his death is recorded as 1836. Christina went with her new husband, Abraham Fair, Ellen went with her husband John Surface, and Sarah went to be with Christina, met Nathaniel Fitch and they were married there.

According to Roy DeLong's file, George DeLong had the name of "Johann George DeLong" which was a name given to three of the boys of the family, "Johann Joseph DeLong", Johann George, and "Johann Jacob DeLong". He is not sure the meaning of this as the father's name was Matthias and not John.

Some of Roy DeLong's notes on George: He has his birthplace at Maxatawny, Berks County, PA and also that he was Christened there.

1800 whereabouts unknown. May have been in Virginia with his brother Joseph and perhaps Jacob. Joseph was there in 1806.

1805 - George took land at the Cincinnati Land Office as George DeLong. Land in Montgomery Co., Ohio, June 29, 1805. He did not necessarily move at that time. Brother Joseph did not go to Ohio until after 1815 and there is no reason to think that George did either. Joseph was certainly in Va in 1806.

If George married Elizabeth Statler in Virginia it may have occurred about this time. Elizabeth would have been born 1787 according to tombstone. There were both DeLongs and Statlers in Botetourt County, VA at that time.

1808 .. Brother Joseph bought land in 1805 in Botetourt Co., VA, and there was a "deed in" for a George in Botetourt Co., 1808. Since this same land was deeded out in 1814, about the same time the DeLongs left for Ohio, we can assume it may belong to this George. Understand though that there was at least one more George DeLong in Botetourt County who stayed there and married off his daughters and was still on the census with a George Jr. as late as 1840 (after our George was dead in Ohio) The George in Botetourt who stayed there had a birth date of 1777. Perhaps this was a relative and was the one who drew Joseph, Jacob, and George there.

1813 .. May have reached Ohio by this time. Phillip Hull and Mary Hull wife, appointed Daniel Symms, register of the land office at Cincinnati, Ohio, as their attorney. Deed to George D. Long of Miami County for the northwest quarter of Section No. 32 in Township No. 2 of Range No. 9 between the Miami Rivers so soon as the Patent from the President of the United States to said Phillip Hull shall be received in the office of Daniel Symms. February 15, 1813

February 1, 1815 Phillip Hull of Miami County to George D. Long of Miami County for the sum of \$750 for the Northwest quarter of Section 32, Township 2, Range 9, containing 161 acres, recorded 24th day of May, 1815.

1836 Will dated October 20, 1836, of Bethel Township, names only wife Elizabeth. Brother Joseph is among the witnesses. Another reference to the association of George and Joseph is that George's children, Ellen Surface, Sarah Fitch and Abraham (brother Abraham or Abraham Fair?) all appear in old records of the DeKalb County reunion of some of Joseph's descendants.

Betty Fitch (wife of desc. Warren) says: Actually after George DeLong died, Nathaniel Fitch bought some of his property from the heirs and they are all named in the contract. I have the original handwritten deed or whatever it was at the time. The family saved most of their legal contracts like that and I became the caretaker of them. Guess they never threw anything away even after the land was sold to someone else!! But that is the only one that mentions a DeLong. Nathaniel's old homestead house is still standing (1999) and it was in the family until about 5 years ago when it was sold to a gravel pit company!! There is just a little of the original land still belonging to the family. Also 80 acres of virgin woods was deeded over to ACRES who turned it into the "Bicenntenial Woods" and is open with trails, etc.
